

45 JOSEPHINE KNOT & GLOBE KNOT

Referred to by many names, including the double open knot, the Josephine knot is one of the most popular motifs in macramé. The knot can be left flat or tightened into a ball, which makes it very versatile. When the Josephine knot is formed into a ball, it is known as the globe knot. In addition to being used in jewelry, this knot makes an excellent decoration for gift wrapping and can be used as a button.

Difficulty ★★☆☆☆

Materials: Josephine Knot (One 6' (1.8 m) long cord)
Globe Knot (One 25' (7.6 m) long cord)

- 1** Josephine knot: Fold the cord in half. Globe knot: Fold the cord 15-16" (38-41 cm) from end A. Make a loop using end B for both variations.

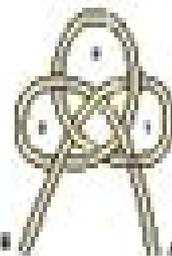

- 2** Make an equally sized loop using end A. Position this loop on top of loop 1.

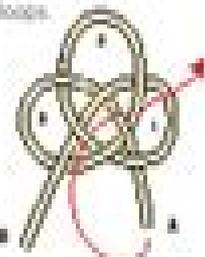

- 3** Bring end A under end B and insert it through the two loops, passing it over-under-over-under. There are now three loops.

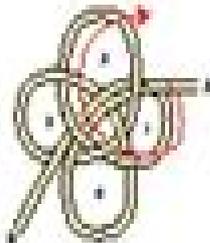

- 4** The Josephine knot is complete.

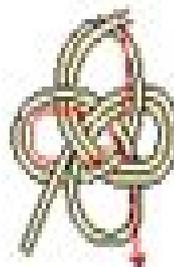

- 5** To make the Josephine knot into a globe knot, insert end A through the overlapping portion of the three loops, as indicated by the arrow. There are now four loops.

- 6** Follow the path of loops 1 and 2 using end A, as indicated by the arrow.

- 7** Follow the path of loop 3 using end A, as indicated by the arrow.

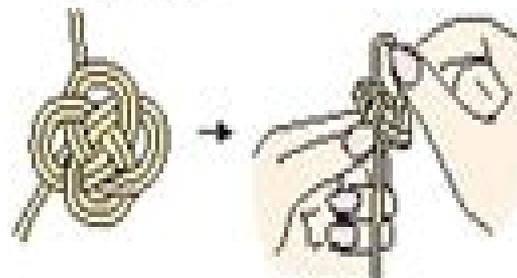

- 8** Follow the path of loop 4 using end A, then bring the cord to the backside of the work, as indicated by the arrow.

- 9** Move the loops in a clockwise direction to gradually tighten.

- 10** Insert your index finger into the small space that remains visible in each loop and adjust the knot into a ball shape.

- 11** Pull to tighten. The globe knot is complete.

How to Use This Knot

Left: Arrange the cords vertically and make continuous Josephine knots for an intricate-looking decorative item.

Below: Make continuous horizontal Josephine knots for a fancy jewelry design.

Alternate Materials

This photo shows the difference between globe knots made with flat and round leather cords. To turn these knots into buttons, apply glue to the cord ends, then iron.
