The Ultimate Biker Anthology: An Introduction To Books About Motorcycle Clubs & Outlaw Bikers Edward Winterhalder, Iain Parke, 2013-11-15 Outlaw bikers and 1%er motorcycle clubs have always carefully guarded their privacy however in recent years more and more books have come to be written by and about outlaw bikers the lifestyle and the realities of life inside the patched motorcycle club world This anthology brings together some of the best authors in the world who have recently written about motorcycle clubs outlaw bikers and the biker culture It features excerpts from internationally well known authors such as Peter Edwards Tony Thompson Edward Winterhalder and Iain Parke but also contains literary work from those who are relatively unknown and those who have only achieved recognition on a local scale Covering both factual accounts of life inside clubs such as the Hells Angels Satan's Choice Bandidos Rock Machine and the Outlaws as well as leading examples of biker based fiction that explore the images of bikers and crucial themes such as loyalty respect and honor this compilation is intended to introduce the reader to the secretive world of motorcycle clubs and outlaw bikers

[Real Bikers Of North America](#) Edward Winterhalder, 2025-02-23 In *Real Bikers Of North America Men Who Rode With An Outlaw Motorcycle Club* author Edward Winterhalder captures a realistic snapshot of the outlaw biker lifestyle to preserve the culture accurately for generations to come For nearly a decade his interns conducted in depth interviews of former and active members of outlaw motorcycle clubs and in this resulting anthology of mini biographies you'll explore the life stories of real outlaw bikers who never back down and never back up they are men of honor and respect and their word is worth more than gold Although the outlaw biker from the sixties seventies and eighties wouldn't recognize the outlaw biker of today Winterhalder's intent in writing this book was to convey a simple message your perception of the lifestyle from a historic perspective is inaccurate and there's no such thing as a stereotypical outlaw biker There are common denominators but each man's ride on his journey through life is unique Intended for the general public and those in the academic community that find the outlaw biker aspects of anthropology criminology sociology psychology ethnography deviant behavior criminal justice pop culture and humanities interesting this is an extremely unique opportunity to learn about a secretive sub culture that most people find terrifying and abhorrent

[Biker Chic](#) Edward Winterhalder, Wil De Clercq, 2014-07-15 In *Biker Chic The Attraction of Women to Motorcycles and Outlaw Bikers* the authors provide the reader with an intriguing snapshot of the culture through women who have an intimate knowledge of the lifestyle Although many people question their motivation to be involved with a lifestyle that most people find frightening and repulsive to some women there is an attraction to the motorcycles and the outlaw bikers that permeate the culture Publisher's note *Biker Chic The Attraction of Women to Motorcycles and Outlaw Bikers* is a condensed version of the previously published book entitled *Biker Chicks The Magnetic Attraction of Women to Bad Boys and Motorbikes* 2009 Allen Unwin which is no longer in print and was available only in Australia and New Zealand
