**The Serial Podcast and Storytelling in the Digital Age** Ellen McCracken, 2017-02-03 This volume analyzes the Serial podcast situating it in the trajectory of other popular crime narratives and contemporary cultural theory Contributors focus on topics such as the ethics of the use of fiction techniques in investigative journalism the epistemological overlay of postmodern indeterminacy and the audience s prolific activity in social media examining the competing narrative strategies of the narrators characters and the audience Other topics considered include the multiplication of narratives and the longing for closure how our minds work as we experience true crime narratives and what critical race theory can teach us about the program s strategies

**Dynamics of Language Changes** Keith Allan, 2020-08-31 This book explores the dynamics of language changes from sociolinguistic and historical linguistic perspectives With in depth case studies from all around the

world it uses diverse approaches across sociolinguistics and historical linguistics to answer questions such as How and why do language changes begin how do language changes spread and how can they ultimately be explained Each chapter explores a different component of language change including typology syntax morphology phonology semantics lexicology discourse strategies diachronic change synchronic change how the deafblind modify sign language and the accommodation of language to song This book presents a comprehensive analysis of the dynamics of language change over time simultaneously advancing current research and suggesting new directions in sociolinguistic and historical linguistic approaches

**Social TV** Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life
