Corporate Financial Reporting and Analysis S. David Young,Jacob Cohen,Daniel A. Bens,2018-11-28 Corporate Financial Reporting Analysis combines comprehensive coverage and a rigorous approach to modern financial reporting with a readable and accessible style Merging traditional principles of corporate finance and accepted reporting practices with current models enable the reader to develop essential interpretation and analysis skills while the emphasis on real world practicality and methodology provides seamless coverage of both GAAP and IFRS requirements for enhanced global relevance Two decades of classroom testing among INSEAD MBA students has honed this text to provide the clearest most comprehensive model for financial statement interpretation and analysis a concise logically organized pedagogical framework includes problems discussion questions and real world case studies that illustrate applications and current practices and in depth examination of key topics clarifies complex concepts and builds professional intuition With insightful coverage of revenue recognition inventory accounting receivables long term assets M A income taxes and other principle topics this book provides both education and ongoing reference for MBA students Catalog Southwestern Indian Polytechnic Institute, **Extension studies** Foreign Service Institute (U.S.),1983 Disruption in Financial Reporting Krish Bhaskar,John Flower,2021-01-21 Since the global financial crisis of 2007 8 new laws and regulations have been introduced with the aim of improving the transparency in financial reporting Despite the dramatically increased flow of information to shareholders and the public this information flow has not always been meaningful or useful Often it seems that it is not possible to see the wood for the trees Financial scalds continue as Wirecard NMC Health Patisserie Valerie going back to Carillion and many more demonstrate Financial and corporate reporting have never been so fraught with difficulties as companies fail to give guidance about the future in an increasingly uncertain world aided and abetted by the COVID 19 pandemic This concise book argues that the changes have simply masked an increase in the use of corporate PR impression management bullet points glossy images and other simulacra which allow poor performance to be masked by misleading information presented in glib boilerplate texts images and tables The tone of the narrative sections in annual reports is often misleading Drawing on extensive research and interviews with insiders and experts this book charts what has gone wrong with financial reporting and offers a range of solutions to improve information to both investors and the public This provides a framework for a new era of forward looking corporate reporting and guidance based on often conflicting multiple corporate

goals The book also examines and contrasts the latest thinking by the regulatory authorities Providing a compelling exploration of the industry s failings and present difficulties and the impact of future disruption this timely thought provoking book will be of great interest to students researchers and professionals as well as policy makers in accounting financial reporting corporate reporting financial statement analysis and governance
