consequences of your decisions or indecisions usually have a cascading effect Besides the direct impact on you the consequences could affect your children your spouse your extended family your community and ultimately your relationship with God In the same vein some of the ills we suffer today could have been caused by wrong decisions taken by our parents From contemporary and biblical examples we can see that the decisions of yesterday impact today and today's decisions will impact tomorrow And apart from breathing we do nothing more in our lives than make decisions these cannot be left to chance This book is a revelation that will restore refresh revive and renew anyone who cares to pay attention God bless you
