, 1929 **End Times to 2019** David Montaigne, 2013-01-09 Does the end of the Mayan Calendar start the countdown to
Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the
Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical
events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about
great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of
the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on
these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in
the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday
school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing
on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will
understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is
about to happen and they have made preparations most rational people would not believe because evidence is suppressed to
avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the
coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in
power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can
still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and
the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology
