Gray,Barry E. Prentice,Ontario Agricultural College. School of Agricultural Economics and Extension Education,1982 Extract This study presents a brief history and analysis of the trends in the farm real estate market of central Wellington County Ontario since early settlement days It

develops a series of annual market prices from 1853 on through the collection of sales data from land registry offices of farmland transferred at arm s length To the extent that an annual price is the mean of 25 sales on average price is a reflection of acreage tillable area and improvement differences among farm properties sold in that year It is thus a price representative of the locale the organization and the state of development of farming at the time and the willing buyer willing seller condition
