Dealers and Dreamers: A New Look at the New Deal Joseph P. Lash, 2020-04-10 Pulitzer Prize winning biographer Joseph Lash's last work is an account of the men and women who helped Roosevelt pull the country out of the Great Depression When FDR took office in 1933 he set into motion the promise he made when he was first nominated the New Deal also called the Roosevelt Revolution charged the energies and imaginations of some of the most brilliant minds in the country Lash draws heavily on the private and unpublished papers of Thomas Corcoran and Benjamin Cohen the two most influential brain trusters of the time whose policies invigorated the nation and who independently and together were driven to promote the social and economic transformations of the thirties This new look at the New Deal as the book is subtitled is a history of New Deal legislation from the banking bill that recast the Federal Reserve System on through the Public Utility Holding Company Act the Wagner Labor Relations Act the Social Security Bill and the creation of the alphabetocracy that as Mr Lash believes helped to shift control of the American economy from Wall Street to Washington a dual biography of two young New Deal lawyers Benjamin V Cohen and Thomas G Corcoran a roster of New Deal players Adolph A Berle William O Douglas Marriner Eccles Jerome Frank Leon Henderson Alger Hiss Harry Hopkins Harold Ickes Hugh S Johnson James Landis Max Lowenthal Isador Lubin Raymond Moley Frances Perkins Joseph Rauh Samuel I Rosenman and Rexford G Tugwell and Harvard Law professor and later Supreme Court Justice Felix Frankfurter the ideological struggle that went on between people like Tugwell who wanted to plan the economy and those like Frankfurter and Supreme Court Justice Louis D Brandeis who wanted to break up the trusts and restore freedom to the marketplace Dealers and Dreamers will be valuable to any reader with certain specific questions about the New Deal in mind Christopher Lehmann Haupt New York Times Dealers and Dreamers is a fascinating informative book indispensable for students of the Roosevelt presidency Arthur Schlesinger Jr The New York Review of Books

DWP's Commissioning Strategy and the Flexible New Deal Great Britain. Parliament. House of Commons. Work and Pensions Committee,2009 The design and delivery of employment programmes are critical to the success of welfare reform and fundamental to the Government s aspiration of an 80 per cent employment rate The new

Flexible New Deal FND programme will be part of the revised JSA regime and will be delivered by large prime contractors who will work with subcontractors at a subregional level Prime contractors will be given longer contracts and have greater autonomy to design individualised support for customers who have been unemployed for more than 12 months The Committee welcomes the move towards longer contracts and endorses the principles of the FND programme and was impressed by the work that Jobcentre Plus staff are undertaking to prepare for the introduction of the new regime Yet there are significant concerns that fundamental flaws exist in the design of FND and the assumptions on which it is based The Department for Work and Pensions DWP accepts that on flows onto FND could be 300 per cent higher than first indicated with implications for resources at the providers and possible delays in implementing FND in some areas The Committee urges DWP to confirm that changes will be made to the budget to reflect the massive increase in predicted onflows to FND It might not be possible for providers to meet the targets on which contractor payments are principally based and the Committee received evidence to suggest that the financial model for FND is flawed and its targets unrealistic It is crucial that DWP and other departments ensure that collaborative working with City Strategies local authorities and other local Partners is facilitated at all levels if joint commissioning is to become a reality
