The United States of Anonymous Jeff Kosseff,2022-03-15 In The United States of Anonymous Jeff Kosseff explores how the right to anonymity has shaped American values politics business security and discourse particularly as technology has enabled people to separate their identities from their communications Legal and political debates surrounding online privacy often focus on the Fourth Amendment s protection against unreasonable searches and seizures overlooking the history and future of an equally powerful privacy right the First Amendment s protection of anonymity The United States of Anonymous features extensive and engaging interviews with people involved in the highest profile anonymity cases as well as with those who have benefited from and been harmed by anonymous communications Through these interviews Kosseff explores how courts have protected anonymity for decades and likewise how law and technology have allowed individuals to control how much if any identifying information is associated with their communications From blocking laws that prevent Ku Klux Klan members from wearing masks to restraining Alabama officials from forcing the NAACP to disclose its membership lists and to refusing companies requests to unmask online critics courts have recognized that anonymity is a vital part of our free speech protections The United States of Anonymous weighs the tradeoffs between the right to hide identity and the harms of anonymity concluding that we must maintain a strong if not absolute right to anonymous speech

Transformations in Criminal Jurisdiction Micheál Ó Floinn,Lindsay Farmer,Julia Hörnle,David Ormerod KC,2023-08-24 Can traditional approaches to criminal jurisdiction adapt to the new global reality of the digital era In this innovative book leading experts in criminal international and internet law unite to address this fundamental question They consider how jurisdictional regimes are orientated around concepts of territoriality and extraterritoriality how these categories are increasingly blurred in the

digital era and how a range of jurisdictional transformations are occurring in the process Part I presents novel doctrinal empirical and theoretical perspectives on criminal jurisdiction exploring how states are shaping and reimagining jurisdictional concepts in the crafting and interpretation of criminal offences and the ramifications of increasing jurisdictional concurrency in state practice Part II focuses on the investigative and enforcement powers of the state to assess how these issues are transforming traditional understandings of jurisdictional rules and boundaries the challenges and opportunities that these present for law enforcement authorities and the sorts of constraints and safeguards that may be necessary as a result The picture that emerges is a world of jurisdictional rules in a state of flux which demands the diversity of legal perspectives presented in this book for documenting rationalising and moving beyond the transformations that are taking shape in modern statecraft

The Handbook of Mental Health Communication Marco C. Yzer, Jason T. Siegel, 2025-04-18 The first book of its kind to offer a transdisciplinary exploration of mass communication approaches to mental health In the Handbook of Mental Health Communication a panel of leading scholars from multiple disciplines presents a comprehensive overview of theory and research at the intersection of mass communication and mental health With timely and authoritative coverage of the impact of message based mental health promotion this unique volume places mental health communication in the context of socio cultural causes of mental illness synthesizing public health psychopathology and mass communication scholarship into a single volume Throughout the Handbook nearly one hundred contributing authors emphasize that understanding communication effects on mental health outcomes begins with recognizing how people across the spectrum of mental illness process relevant information about their own mental health Fully integrated chapters collectively translate biased information attention interpretation and memory in mental health illness to real world implications of mental illness symptomatology and across the spectrum of mental health issues and disorders Providing a clear evidence based picture of what mental health promotion should look like The Handbook of Mental Health Communication is an invaluable resource for advanced undergraduate and graduate students scholars researchers lecturers and all health communication practitioners

Studying Youth, Media and Gender in Post-Liberalisation India Nadja-Christina Schneider, Fritzi-Marie Titzmann, 2014-11-21 This volume aims to look both at as well as beyond the Delhi Gang Rape through the lens of Indian Media Studies The editors consider it a critical event or rather critical media event that needs to be contextualized within a rapidly changing diversifying and globalizing Indian society which is as much confronted with new ruptures asymmetries and inequalities as it may still be shaped by the old established structures of a patriarchal social order But the volume also looks beyond the Delhi Gang Rape and introduces other related thematic areas of an emerging research field which links Youth Media and Gender Studies

United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 4, **The SAGE Handbook of Social Media Marketing** Annmarie Hanlon, Tracy L. Tuten, 2022-06-16 Social media marketing has become indispensable for marketers who utilize

social media to achieve marketing objectives ranging from customer care to advertising to commerce This Handbook explores the foundations and methodologies in analysing the important aspects of social media for organisations and consumers It investigates critical areas concerning communities culture communication and content and considers social media sales This Handbook brings together the critical factors in social media marketing as the essential reference set for researchers in this area of continued growth It is essential reading for postgraduate students researchers and practitioners in a range of disciplines exploring the area Part 1 Foundations of Social Media Marketing Part 2 Methodologies and Theories in Social Media Part 3 Channels and Platforms in Social Media Part 4 Tools Tactics and Techniques in Social Media Marketing Part 5 Management and Metrics in Social Media Part 6 Ethical Issues in Social Media

Say Hello Carly Findlay, 2019-02-01 A forthright honest and rousingly triumphant memoir from a woman who has to live with a highly visible different appearance due to a rare skin condition Say hello to Carly In fairytales the characters who look different are often cast as the villain or monsters It's only when they shed their unconventional skin that they are seen as good or less frightening There are very few stories where the character that looks different is the hero of the story I've been the hero of mystery telling it on my own terms proud about my facial difference and disability not wanting a cure for my rare severe and sometimes confronting skin condition and knowing that I am beautiful even though I don't have beauty privilege This honest outspoken and thought provoking memoir by award winning writer and appearance activist Carly Findlay will challenge all your assumptions and beliefs about what it is like to have a visibly different appearance Carly lives with a rare skin condition Ichthyosis and what she faces every day and what she has to live with will have you cheering for her and her courage and irrepressible spirit This is both a moving memoir and a proud manifesto on disability and appearance diversity issues Believe the hype by turns frank funny and fearsome Findlay's extraordinary memoir is an early contender for 2019's best Australian non-fiction a powerful and moving invitation to examine the structures of privilege and dehumanisation that we so desperately need address in this country Better Read Than Dead A proud celebration of appearance difference a valuable read Herald Sun Defiant unsettling and thought provoking *The Age Searcher*, 2007 *The Marriage Process in the United States* Sebastian B.
