

# Acquainted With The Night *by Robert Frost*

- I have been one acquainted with the night.  
I have walked out in rain -- and back in rain.  
I have outwalked the furthest city light.
- I have looked down the saddest city lane.  
I have passed by the watchman on his beat  
And dropped my eyes, unwilling to explain.  
  
I have stood still and stopped the sound of feet  
When far away an interrupted cry  
Came over houses from another street,  
  
But not to call me back or say good-bye;  
And further still at an unearthly height,  
One luminary clock against the sky  
  
Proclaimed the time was neither wrong nor right.  
I have been one acquainted with the night.
