The Journal of the International Copyright Infringement Investigation John C. Compton,2022-08-15 Many authors publishers songwriters and producers of films are now being deprived and systematically robbed of their royalties and copyright licence fees by unscrupulous internet organizations who have circumnavigated the existing international copyright laws by technically manipulating the internet protocols of their transmission and distribution servers This journal shows the extent of how one well known and respected international corporate company has created their own network of affiliated E book organizations It has permitted their affiliated domain website owners to gain access to their secretive digitized library so that they can transmit and distribute to their subscribing members full copies of my copyright work without my expressed permission The results of our copyright infringement investigation are shown within this journal together with examples of their blunt disregard or respect of my copyrights and human rights Voices from the Wasteland and Other Stories Brian Crane,2022-05-23 VOICES FROM THE WASTELAND and other stories Showcase a weekend for entertainment agent trouble shooter Ronnie Littlewood that does not go according to his well thought through planning in this third story about the ex comedian The Box is a Kodak box Brownie Camera that holds a dark sinister secret for its owner But it is his loyal friend who takes on the task to unravel what it all means The Park Bench is a refuge a place of solace and tranquillity for one woman to contemplate where her life has led her It is also a place where she finally come to terms with her situation Voices From The Wasteland began as a Theatre In Education Project inspired by a cutting in a Manchester newspaper under the heading body of an unidentified man found in alley From there it became a musical and then a fourteen track album However it has always been the wish of the author to write it as a story and now with many of the lyrics from the original musical interspersing with the narrative his wish has come true Cover illustration Winter Moon On Canal By R S Gardner Courtesy of Clark Art Ltd

**Betrayal of the Trinity Knot** Brian Crane,2018-05-04 Set in 1938 and very much in the spirit of John Buchan and Arthur Conan Doyle Betrayal of the Trinity Knot is a story that not only gives a unique insight into the threats of conspiracy and subterfuge by foreign agents in the final year before the outbreak of the Second World War it is also a story of the naivety and blindness of a nation not willing to accept that the unthinkable could happen again And intertwined within this trail of intrigue is the inner scrutiny by the unlikely hero of his doubts and uncertainties about the determined path he had been drawn into following So what began as a relaxing break from his business in Bristol England merely to visit his friend the local vicar of a peaceful parish on Exmoor ended up for our hero being warned In no uncertain terms that his story must never be told that it is not in the national interest Irrevocably linked within these events is the betrayal of the sacred meaning behind a mysterious ancient Celtic symbol But now after more than seventy years the previously undisclosed truth about this small piece of hidden history has been unearthed in a manuscript concealed away in an old wooden chest Even so it is more than certain that the official records will still be gathering dust in some secret government vault
