Max Streaming Deal:

Cinematic Digital Television Chris Comerford,2022-12-20 Chris Comerford explores cinematic digital television as an artistic classification and an academic object of study and illuminates the slippage in definitions of previously understood media forms The growth of television as an artistic informative medium has given rise to shifts in the aesthetic style of the programmes we watch and this book outlines these shifts along with the contemporary debates and critical theory surrounding them Comerford looks at the forms and aesthetics of television the production standards influencing streaming television and the agency of audiences and provides case studies of key TV shows illustrating these shifts including Twin Peaks The Return WandaVision Hacks and Russian Doll Navigating the levels of production and reception in cinematic digital television the book uses film inspired TV as a lightning rod for understanding our narrative screen media landscape and the classifications we use to negotiate it As an essential reading for both scholars and students of media and television studies this book provides a much needed consideration of the changing landscape of television *Media Libraries in an Age of Unending Consumption* Mike Van Esler,2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today s corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest **Television's Streaming Wars** Arienne Ferchaud,Jennifer M. Proffitt,2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics *Sport and the Media* Merryn Sherwood,Anthony Kerr,Ashleigh-Jane Thompson,Matthew Nicholson,2025-05-26 Now in a fully revised and updated third edition Sport and the

Media Managing the Nexus combines in depth analysis of the rapidly developing sport media industry with a clear and straightforward guide to practical sport media management skills The book explains how the media works as well as the practical skills necessary to manage the communication process It explores the commercial relationships that exist between media and sport organisations as well as the shift towards in house media production and explains how to apply a range of tools and strategies to promote the message brand and achievements of sport organisations This updated edition includes three completely new chapters introducing the fundamentals of storytelling the growing significance of social issues and the diversity of job roles and careers in sport media It also features expanded coverage of digital technologies and social media as well as profiles of industry professionals This is an essential textbook for any degree level course on sport and the media sport media management or sport communication and invaluable reading for any sport media or sport management practitioner looking to improve their professional skills Additional resources include case diagnostics tutorial plans test bank additional readings and links to useful websites and videos

Reasserting the Disney Brand in the Streaming Era

Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology
