**Between the Pipes** Randi Druzin, 2013-10-01 A Canadian sportswriter profiles twelve legendary NHL goaltenders in a book that reveals the changing face of professional hockey in the last half century. Publishers Weekly Some NHL goalies are great and others are intriguing characters but a select few are legends because they're both. Such is the case with the dozen players featured here. In *Between the Pipes* veteran hockey writer Randi Druzin profiles these athletes revealing the traits that make each one unique. Gump Worsley defied the laws of biomechanics by being nimble despite having a cabbage shaped body. He was also one of the funniest men ever to start in goal. Glenn Hall used to wrestle with a trainer in the dressing room before games and Jacques Plante refused to stay at a particular Toronto hotel. Despite their quirks these twelve goalies are among the best the game has ever seen. With wit and verve Druzin paints unforgettable portraits of these masked mavericks.
