The Resonance Decree Trevor Jensen,2026-02-09 In The Resonance Decree the bond that once cut Jessa and Commander Rhys open in private becomes something far worse in public a signal After the bloodbound scandal that should have destroyed them the Collegium doesn t simply punish Jessa It repurposes her Rumors spread of a forbidden resonance slipping into the upper air a pattern only the bound can feel only the condemned can follow And when Jessa senses it she realizes the truth with icy clarity the empire has turned her bond into a leash and someone is tugging the chain from far above Rhys is ordered to escort her into the sky cities where the Collegium keeps its cleanest lies its brightest relics and its darkest prisoners Jessa is told she s being protected Rhys is told he s containing a threat Neither of them believes a word Not anymore Because the closer they get the harder it becomes to tell what s real A message hidden in the resonance A name that should be dead A set of records rewritten in perfect ink And a shadow network that doesn t want Jessa saved it

wants her activated Trust is already fragile between them Desire makes it worse The bond spikes when fear rises when anger flares when her pulse stutters at the sound of his voice in the dark Every time they reach for each other the bond answers with heat and pain as if it's warning them this is what the Collegium is listening for Now Jessa has one chance to end it To sever the chain before it tightens around her throat before the skies themselves become a cage before the bond rewrites her into something she can't recognize But to break a weapon you have to get close enough to touch the blade And the man she can't fully trust may be the only one willing to bleed beside her Book 2 of The Sovereign Bond Trilogy delivers higher stakes deeper secrets and a bond that is no longer just forbidden but hunted Perfect for readers who love forced proximity with razor edged tension a dangerous magical bond that won't stay quiet ruthless institutions hidden archives and conspiracies in plain sight slow burn yearning that turns feral under pressure *Captive of Desire* Jaden Sinclair,2008-02-01 As prisoner at the Compound Kera Zoe knows she has no way of avoiding the archaic mate finding ritual that dominates the town of Kane But when the tall broad chested Devon Noved claims her as his unwantedly taking her breath away with each kiss Kera has a decision to make Should she fight for her freedom and her heart or submit and lose everything she believes in For the first time Devon has found a woman who ignites his soul No stranger to acting on lust or loving and leaving women he is taken back by this dominative fireball who arouses and disconcerts him with her open defiance and then complete submission to him Now he faces a dilemma will showering her with things she could only dream of win her over or will he need to simply dominate her to break her Will Kera open her heart to a husband forced upon her Can Devon make Kera care for him without breaking her spirit Or will they remain together only as captives of their desire for each other **Mothers to Men - Original Edition** Zona Gale,2020-11-24 But before he could get to the drink he must do something else The man had been fighting away the thought of what he meant to do But when they entered the village and were actually upon its main street lonely in the rainy eight o'clock summer dusk what he meant to do had to be faced So he began looking this way and that for a place to leave the child There was a wagon shop Old wagons stood under the open shed their thills and tongues hanging not expectant of journeys like those of new wagons but idle like the worn arms of beaten men Some men he thought would leave the boy there to sleep under a seat and be found in the morning but he was no such father as that he reflected complacently He meant to leave the boy in a home give him a fair start There was a little house with a broken picket fence somehow she wouldn't have liked him to be there she always liked things nice He had never been able to give the boy much that was nice but now he said to himself he would take nothing second rate There was a grocery with a light above stairs where very likely the family lived and there too was a dry stairway where the child could sit and wait until somebody came no not there either The best ain't none too good for the little fellow thought the man *Obsession #2* Johny Thompson,2023-12-23 Candice heard Kevin's voice screaming at someone somewhere in the house She never heard him use such a vocabulary before Standing by the open doorway she saw three people in that room One of those people was a

beautiful woman sitting on a desktop A plump man was sitting on a swivelling chair by the desk Kevin was looking at the plump man demanding money Come on now Steven I want my money right now The woman said Are you now running around with black bitches again Candice saw Steven holding a gun and pointing it at Kevin She saw Steven pulling the trigger but he missed Kevin the woman screamed as the bullet struck her shoulder and Candice turned and ran out of the house She heard several more sounds as Steven continued shooting Someone nearby heard the gunshots and called the police The police officers found Candice talking to a reporter trying to explain what happened The police went inside the house They found three bodies almost dead or dead and they called emergency services The police seemed to suspect Candice as the perpetrator and warned her to stay put After a few months Candice was in court facing the magistrate She was facing murder and attempted murder charges None of her friends supported her but her ex boyfriend s brother came to pay her bail money Joseph had become a wealthy man with several law enforcement agencies serving him Joseph s brother Sam was by then living with his new girlfriend She became a handful trying to fulfil her desire to have at least one child Sam was not ready to have kids He was having problems with his girlfriend Lucy She was claiming he was her child s father but Sam discovered he was incapable of being a father In the end she settled out of court paying Sam huge amounts of money He became a multimillionaire but that was not the end of their relationship Steven did not survive his wife Isabelle survived and so did Kevin Isabelle decided to sue Kevin for rape Joseph became aware Isabelle was falsely suing Kevin He knew all along they had been having an affair He offered her a sizeable amount of money and she withdrew the case He devised a plan for Kevin to pay back every cent he stole
