Porter, Christopher D. Land, Francis G. H. Pang, 2019-07-12 In 2016 the Centre for Biblical Linguistics Translation and Exegesis CBLTE a research center located at McMaster Divinity College hosted the annual Bingham Colloquium Scholars from around North America were invited to participate in a collegial and collaborative dialogue on what is currently happening or could happen at the intersection of linguistics and biblical studies particularly in regards to the linguistic study of biblical languages their translation and the way that linguistic methods can contribute to the interpretation of the biblical texts This volume of essays publishes many of the presentations that took place at the Colloquium

Imagology, 2007-01-01 How do national stereotypes emerge To which extent are they determined by historical or ideological circumstances or else by cultural literary or discursive conventions This first inclusive critical compendium on national characterizations and national cultural or ethnic stereotypes contains 120 articles by 73 contributors Its three parts offer 1 a number of in depth survey articles on ethnic and national images in European literatures and cultures over many centuries 2 an encyclopedic survey of the stereotypes and characterizations traditionally ascribed to various ethnicities and nationalities and 3 a conspectus of relevant concepts in various cultural fields and scholarly disciplines The volume as a whole as well as each of the articles has extensive bibliographies for further critical reading Imagology is intended both for students and for senior scholars facilitating not only a first acquaintance with the historical development typology and poetics of national stereotypes but also a deepening of our understanding and analytical perspective by interdisciplinary and comparative contextualization and extensive cross referencing **Values Across Cultures and Times** Biljana Mišić

Ilić, Vesna Lopičić, 2014-03-17 Values Across Cultures and Times is a collection of sixteen articles examining the concept of values understood in its broadest sense as the need of the modern man to examine redefine and reconstruct previous theories histories moralities social relationships forms of language and language use In times of great change preserving traditional values seems to be particularly difficult and the authors of these essays respond to the challenge and approach the notion of changing values from the perspectives of literary studies and linguistics The book opens with an introductory overview followed by sixteen articles divided into three sections The book is aimed at a broad academic audience while the popular style of the articles also makes the volume appealing to a wider audience interested in different aspects of values The authors of the articles come from Serbia Macedonia Bulgaria Romania and the United States **The Hidden Europe** Francis Tapon, 2012 For many Westerners Eastern Europe is about as appealing as a deodorant free French armpit That didn't scare Francis Tapon because not only did he learn how to rough it by walking across America four times but he is also half French so he kind of smells too Francis spent nearly 3 years travelling and backpacking in 25 Eastern European countries It

started with a 5 month trip in 2004 He returned in 2008 to spend 3 years exploring all the countries again The Hidden Europe is Book Two of the WanderLearn Series **Europe** Thomas M.
