responds to exercise and diet very differently as there are major biological differences between both. The recipes in this book are written considering the effect of menstrual cycle and menopause on metabolism and eating behavior so that you can balance your hormonal cycle, mood, and body health through keto. It's time you get in the shape of your lifetime without ever hitting the gym or running for hours. You can do all of it with a little bit of work in the kitchen. Keto diet offers a scientifically backed eating regime through which you can activate ketosis in your body which will burn fat as your main source of fuel rather than carbs. In addition to keeping the muscle healthy, not only your body will burn fat quickly, you'll also feel less hungry. This is why a balanced keto diet will elevate your mood, give you more energy that will last throughout the day, and help you prevent life-threatening diseases such as cancer, diabetes, heart attack, and chances of stroke, etc. Moreover, Keto Diet has been known to have helped people in elevating their mental health, physical strength, increased agility, focus, and balanced hormones.
