Cats and Dogs

Directions: Read about cats and dogs. Then, complete the Venn diagram, telling how they are the same and different.

Cats and dogs are popular pets. Both cats and dogs have fur, and they need food and water every day. Cats are usually quiet and like to climb, while dogs often bark and enjoy running outside. Cats clean themselves by licking their fur, but dogs need people to give them baths. Dogs love being with people all the time, while cats can be left alone for longer periods.
