A Touch that Awakens the Soul Melissa S Williams,2025-07-14 In a quiet coastal town brushed by wind and memory Eylli Q returns to a weathered cottage seeking refuge from the noise of her past Her heart once bright with dreams now yearns for stillness and a place to begin again What she doesn't expect is Rhys Everhart the debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn't ask for perfection it simply asks for presence and sometimes it's the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn't always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay *A Touch That Awakens the Soul* is a deeply romantic and inspirational novel about rediscovering love healing through connection and finding home not in a place but in each other A story for anyone who believes in love second chances and the kind of intimacy that lingers long after the final page

Lost in MultiSpace William Allan,2019-11-25 This is the story of a man's impossible journey back home His name is Odis or Ottis or some variation of Odysseus as a nod to another impossible journey although the similarity ends with his name It is also the story of humans impossible journey to leave the nest with infinite choices leading to disaster and infinite more leading to stagnation If one man can find his way home to teach the one way off the planet Earth humanity may survive the galactic collision with Andromeda As an author I see that the current climate is publishers clamoring for LGBTQ characters It is tempting to pander to that demand Instead I chose as my main character's relationship one based on domination and submission Having the privilege of knowing some extraordinarily loving couples in the D S community I observe they are still often treated as politically incorrect in a world supposedly now open to diversity My main character needed an extraordinary relationship to continue to face impossible odds against getting back home which for him was wherever his other half was If you are unfamiliar with the D S community you may get a look at a relationship where like real world D S relationships the sexually submissive half is often the dominant decision maker The protagonist comes from a world far more medically advanced than our own where disease is a historical artifact pregnancy a choice and even genetic defects have simple cures In such a world there is no biological backlash from the sex act so most of the world has left monogamy behind Our protagonists choose monogamy in a world that now considers it quaint but their torrid relationship leaves them forever satisfied
