Jordan,2020-04-06 A useful short affordable book that teaches you how to earn more money with memes has finally been written Malik Jordan My name is Malik McCotter Jordan but you can call me Malik Jordan I am the author of this book How To Earn More Than 100 Making Memes in 4 Simple Steps 2020 is quite frankly nothing but a short book showing aspiring professional funny meme creators how to make money on fiverr com Most authors overpromise and under deliver when they write their book introduction That is not what I am about to do In this introduction I will tell you how to earn more than 100 making memes in 4 simple steps My advice will be practical and straight to the point Let s Be Honest Book introductions are basically a form of marketing to get people to buy the book In this book introduction I am going to be very transparent with you I ll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me Did I write this introduction to market it to you and to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money with memes Why I Wrote This Book s Introduction I wrote this book s introduction to get sales and weed out the people who would be wasting their time if they bought this book I am not like all of the other writers out there I am not desperate for your money This book is not for everybody and I knew this before I even began writing it This is not the book for you if you do not already know how to make memes This book is for people who already have experience in making memes This book is for people who would like to know how to go about earning money with their already established meme creating abilities This book does not teach you how to make a meme This book doesn t take more than a week to read and it isn t expensive at all This Book Is Cheap For just the

low price of 2.99 you can learn how to earn more than 100 making memes According to CollegeBoard.com the national average for college textbooks is 1,137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 4 SIMPLE steps in this book it will pay for itself 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millennials are the poorest generation so far That's why I made this book 2.99 and not 14.99 when I self published it The second reason this book is so cheap is because it is SUPER short Usually when you hear advice that is straight to the point it is short The truth is usually short straight to the point and simple just like this book The third reason why this book is so cheap is because it didn't take a lot of money to write and self publish this book in the first place I don't owe a book publishing company money so I'm not about to charge you over 10 for a book like this What You Are Being Sold I'm not selling you the perfect book because the perfect book doesn't exist no matter how much work I put into it or hire someone else to put into it I'm selling you a book with practical easy to understand steps on how to earn more than 100 making memes QUICK DISCLAIMER Before I get into the 4 steps that will be taught to you I want to let you know a few things This is not a scam No the steps will not be easy but they are not hard either The 4 steps are SIMPLE If you aren't satisfied you can get your money back Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income Don't Cheat The System The most challenging steps are steps one two and four Step three is the part I am sure you will like the most Unfortunately if you do not do steps one and two you will not be able to do the rest of the steps so do not try to cheat this system You will only be wasting your own time Can I Earn More Than 100 Making Memes I know what you're probably thinking and the answer is yes You can earn more than 100 making memes I have done it before There is no limit to how much money you can earn making memes What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes As long as you have a talent for making memes and self efficacy you will be able to earn more than 100 making memes Elephant In The Room Now let's address the elephant in the room You most likely doubt I earned 100 making memes and that is okay It is perfectly normal to be skeptical If I were you I would be suspicious too I have proof that I earned 100 making memes Just visit the following web address <https://tinyurl.com/y972bmoo> The elephant in the room has finally been addressed and now it is time for you to take action QUICK SUMMARY STEP ONE BUILD CREDIBILITY THROUGH CONTENT MARKETING STEP TWO EARN MORE THAN 100 BY STARTING A BUSINESS STEP THREE COLLECT YOUR REVENUE AND GET PAID STEP FOUR TAKE EVERYTHING YOU HAVE LEARNED AND TURN IT INTO A BOOK THAT YOU CAN SELF PUBLISH ON AMAZON.COM ACT NOW Do you or do you not want to know how to earn more than 100 making memes Are you already experienced in creating funny memes regularly for free and would like to know how to earn money doing it If you answered yes to these 2 questions above then do

yourself a huge favor and buy this inexpensive book This book can be yours today for just 2 99 You can't find a brand new college textbook being sold for 2 99 but you can own this one for 2 99 right now If you want 4 practical pieces of advice that will help you create an extra stream of income making memes this is the book you need to be buying right now Most authors would charge 2 to 3 times more than 2 99 This book is practically a steal Act now Buy How To Earn more than 100 Making Memes In 4 Simple Steps 2020 for 2 99 today CALL TO ACTION If this is something you are interested in because you think it will help you out then you should buy How To Earn More Than 100 Making Memes in 4 Simple Steps 2020 today risk free If you're not satisfied with this book within the first 30 days then you can get your money back guaranteed no questions asked Begin your journey on discovering new possibilities with How To Earn More Than 100 Making Memes in 4 Simple Steps 2020 today Act fast because the price of this book will not be this low forever **Learn Sales** Malik Jordan,2020-03-21 This is a short book that is designed for people who are complete newbies when it comes to selling in the 21st Century My name is Malik McCotter Jordan I am an American soldier and the author of this book I have been selling products and services since 2012 Over the years I have acquired a massive amount of knowledge about sales and I condensed everything I know about selling into this book I went through trial and error to learn what I know now So when you read this book you will be able to avoid all of the mistakes I have made in the past I am confident that this is a very valuable book about sales because not only does it teach you about selling but it also teaches you how to not come off as pushy annoying or downright sleazy while you're selling things to people That is something I know a lot of people would like to learn how to do I understand that you are a busy person and that due to today's economy and job market no one really has the time nor the attention span to be reading 200 page books about sales I know that you want to learn this skill without wasting time reading a bunch of information that you really don't need so I decided to take initiative and make this book as short as I could without compromising its value and practicality I am NOT a sales GURU Or any type of person that is trying to sell you a dream I'm just a guy that learned a skill and I want to share what I know about this skill with you That's all If you're skeptical then I don't blame you I would be too There's a lot of scammers on the internet and they have made it extremely hard for you to trust people online So with that being said I'm going to make you an offer that will be difficult for you to refuse If you believe this will add value to yourself and your future then purchase this book today and if you are not satisfied with this book within the first 7 days then you can get a refund no questions asked There is no risk involved For less than what you would spend on a cup of coffee from Starbucks you can own this book Unlike an overpriced cup of coffee from Starbucks this book will teach you the basics of selling Learning how to sell will give you the ability to buy as many cups of coffee as you want Start learning the sales techniques that work in the 21st century today If you want to know how to learn how to sell without being too salesy then this book will help you out with that CALL TO ACTION If this is something you are interested in because you think it will help you out then you should buy Learn Sales The Beginner's Guide For Selling in the 21st Century Censored today risk free If you

YOUNG MEN 2.0 Malik McCotter-Jordan,2021-12-25 I m not suggesting that you fire your boss i e quit your job In fact I
advise you to keep your job in this book I have a job That s called having more than one stream of income and I talk about
that in this book This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest
him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income This is a
raw and real book written by a guy who is only a few steps ahead of you That s it I m not a guru This is not a scam I put my
heart and soul into making this I wrote this book as if it was for the 18 year old me Anyone who leaves a review saying that
this book lacks realistic actionable advice is just plain wrong I even did what most of these personal finance authors don t
have the guts to do I talk about my personal life and the mistakes I made that cost me thousands of dollars That s why this
genre is called personal finance right I get really personal Some might say it s too personal If you re a young man who is
tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get
ahead in the United States then this is the book for you I started off as a poor black boy in a small town in Alabama on
section 8 I currently have a 6 figure net worth If I can do it you can too Buy this book today *Take Control of Your
Paperless Office, 4th Edition* Joe Kissell,2024-02-02 Digitize your documents and reduce paper clutter Version 4 0 1 updated
February 2 2024 The paperless office doesn t have to be a myth Turn paper into usable digital files reducing clutter and
increasing convenience This book helps you assess your situation develop a strategy and learn clever techniques for keeping
more paper at bay with detailed discussion of the hardware software and processes needed to get the job done Join Joe
Kissell as he helps you clear the chaos of an office overflowing with paper With Joe s guidance you can develop a personal
clean up strategy and choose your tools including a scanner and the software you need to perform OCR optical character
recognition You ll also learn about devices and services for storing your digitized documents and document management
apps that help you categorize locate and view your digital document collections Once you have your gear in hand Joe shows
you how to convert your paper documents to digitized files and gives you ideas for how to organize your office workflow
explaining how to develop day to day techniques that reduce the amount of time you spend pressing buttons launching
software and managing documents You ll also master paper reducing skills such as Scanning or photographing documents
you find while out and about business cards receipts menus flyers and more so you keep only digitized versions Joe discusses
a variety of mobile scanning options for iOS iPadOS and Android Creating a digitized image of your signature so you can sign
and share documents digitally rather than printing them for the sole purpose of signing them with a pen Using paperless
options for bills invoices bank statements and the like Cutting down on unwanted catalogs and junk mail Switching to mostly

paperless postal mail Using your computer to send and receive faxes without a fax machine fax modem or separate phone line Amazingly some people still need to do this even in the 21st century The book contains answers to numerous questions including What is a searchable PDF and why is it key to a paperless office What differentiates document scanners from other types of scanners What s a book scanner What if I need a mobile portable scanner What does TWAIN stand for and should my scanner support it Why do I need OCR software and what features should I look for How do I choose a good scanner and OCR software How should I name and file my digitized documents What are my options if I need to edit a scanned PDF How can I automate my workflow for scanning documents What paper documents should I keep in physical form How do I use common tools to add a signature to a PDF How can I access my digital documents remotely How should I back up my important digital documents
