Covenant Theology Guy Prentiss Waters, J. Nicholas Reid, John R. Muether, 2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life **God So Loved the Third World** Tom Hanks, 2000-10-03 This work fills a large vacuum in biblical research and exposition On the one hand it makes a serious critical and constructive

contribution to the search for an adequate biblical theology on the problem of poverty On the other hand coming as it does from an evangelical perspective it strengthens and at the same time corrects many of the opinions articulated within the various political liberation theologies that have sprung up in Latin America during the last fifteen years Orlando E Costas Professor of Missiology and Director of the Hispanic Studies Program Eastern Baptist Theological Seminary *All the Genealogies of the Bible* Nancy S. Dawson, Eugene H. Merrill, Andreas J. Vaillancourt, 2026-03-24 Trace God s Plan of Redemption Through the Old Testament Do you find the Old Testament historical books challenging or confusing Have you ever struggled to get through these sections of God s Word or wondered why they matter for us today Many of us view the Old Testament as something we read simply because we ve been told it s good for us But when we uncover the unfolding story of redemption within these books we see a theological vision that points us to Jesus *Unfolding Redemption* helps readers trace God s story of redemption through the historical books of the Old Testament and discover its fulfillment in Christ As readers dive deeper they ll gain a richer understanding of the gospel and see its vibrant connections throughout Scripture This book makes the theology of the Old Testament accessible and approachable showing how these books fit together to tell a larger story that culminates in Christ Biblical scholar Ian Vaillancourt unpacks themes like settling God s redeemed people in Joshua delivering God s redeemed people in Judges preserving God s redeemed people in Esther hope for the ultimate redemption in 1 and 2 Chronicles and more Vaillancourt guides readers through the Old Testament s historical books with a clear and intentional approach revealing how every part of the story leads to Jesus *Unfolding Redemption* is an excellent introductory textbook and is ideal for pastors or Bible teachers as well as groups looking to study the Bible more deeply With discussion questions for reflection *Unfolding Redemption* equips Christians to dig deeply into these texts see their themes woven together and understand what they mean for our lives today **I Am Yahweh** Walther Zimmerli, 2018-11-27 *I Am Yahweh* offers a formidable combination of the basic thoughts and principles behind Walther

Zimmerli's exegetical and theological work reflecting the rigorous methods he uses in tracing the development of theological formulae through biblical usage. Zimmerli's compilation demonstrates a clear disciplined method and careful exegetical insight. These essays cover Old Testament theology, the prophets with special emphasis on Ezekiel, the crisis of the exile, the meaning of revelation. Zimmerli has the amazing capacity to move from exegesis to hermeneutics. His work is faithful to the text yet he is very attentive to the theological implications contained therein. This latest work is destined to become a standard resource and text for seminary instruction and continuing education for pastors.

How to Study the Bible's Use of the Bible
Gary Edward Schnittjer, Matthew S. Harmon, 2024-10-08. How to Study the Bible's Use of the Bible: Seven Hermeneutical Choices for the Old and New Testaments by Gary Edward Schnittjer and Matthew S. Harmon is an essential resource aimed at teaching a hermeneutic for understanding the Bible's use of the Bible. Intended for students of both testaments, the book's innovative approach demonstrates how the Old Testament use of Scripture provides resources for the New Testament authors' use of Scripture. The authors provide students with a clear approach to handling the Bible's use of itself through seven key hermeneutical choices organized into individual chapters. Each chapter introduces a hermeneutical choice and then provides several examples of the Old Testament use of Old Testament and the New Testament use of Old Testament. The plentiful examples model for students the need to ground hermeneutics in biblical evidence and provide insight into understanding why the Bible's use of the Bible is important.
