Jorinda and Deineike may have escaped the clutches of the clandestine killers who seek them, but before long they are drawn back into a dangerous world where the only way to stay alive is to kill those who threaten you. When a stranger's life is endangered, an unlikely ally requests Jorinda's help, and her intervention leads to more revelations about the schemes of Styrrach, the man who longs to place her under his blade. Jorinda sets out to bring Styrrach down, determined to expose the corruption he has fostered in Dur's corridors of power and extract her own vengeance on him. With every person Jorinda kills, her mental anguish deepens, and when allies become complications, Jorinda is compelled to make difficult decisions. Living with those decisions may be the hardest thing of all.
