## COVER LETTER

---

Dear Hiring Manager,

I am writing to express my interest in joining your organization as a Security Systems Specialist. Your company's commitment to developing robust security frameworks that protect critical data aligns with my passion for safeguarding sensitive information and enhancing operational efficiency.

During my tenure at BT Group, I developed and implemented security frameworks that significantly reduced incidents by 30%. This involved collaborating with cross-functional teams to conduct over 50 network security improvements and delivering security awareness training to over 200 staff, which improved policy adherence significantly. My initiatives led to a 40% increase in system stability, making a measurable impact on the confidentiality and availability of NHS services.

I would welcome the opportunity to bring my expertise in cyber security and risk management to your team. I am looking forward to discussing how my background, skills, and certifications make me a strong fit for this role. Thank you for considering my application.
