Netflix This Week Store Hours:

Do the Work You Love Joe Barnes, 2020-02-11 Taking the reader on a journey from discovering a marketable passion to generating an income from it this book is a practical guide to tackling one of the key questions of our era how to make a living doing the thing you love Aimed at all those who want their work to be fun and fulfilling and who feel they might have a unique gift or message to share with the world this is an amazingly effective guide to making money doing what you love It is the only book to take readers through the whole process of creating an income from a passion identifying which interest they could monetize choosing a bespoke path and learning how to become an expert in their chosen field Part 1 explains how to discover a marketable passion with the help of the Dream Job Chart which guides you in assessing your business ideas skills and the causes you are passionate about Once you have clarity on your passion Part 2 describes the three possible paths to creating an income from it offering inspiring examples of both famous and everyday people who have successfully followed each path The Adventurer's Path is for those of a braver disposition and with few family commitments The Strategist's Path is for those with patience flexibility and a lower tolerance for risk The Grinder's Path is for those who feel a need to continue with their present work while also pursuing their dream Finally Part 3 explores the four stages to becoming an expert in your chosen field so that people will pay you for your skill or product Along the way you will learn Why bad luck can't stop you the right time to quit your job how to use freelancing or consultancy to help you reach your goal how to make progress with your passion even if you are working full time what to do if you're over 50 and want to create an income from your passion and much much more

Superconsumers Eddie Yoon, 2016-11-29 Not your average consumer Pork dorks Craftsters American Girl fans Despite their different tastes these eclectic diehards have a lot in common they're obsessed about a specific brand product or category They pursue their passions with fervor and they're extremely knowledgeable about the things they love They aren't average consumers they're superconsumers Although small in number superconsumers can have an outsized impact on a company's bottom line Representing 10% of total consumers they can drive between 30% to 70% of sales and they're usually willing to spend considerably more than the average consumer And because they're so engaged and passionate they can offer invaluable advice to managers looking to improve their products change their business models energize their cultures and attract new customers In *Superconsumers* growth strategy expert Eddie Yoon lays out a simple but extremely effective framework that has helped companies of all types and sizes achieve more sustainable growth he'll show you how to find listen to and engage with your most passionate and profitable consumers and then tailor your decisions to meet their wants and needs Along the way he'll let you into the minds and homes of superconsumers of all kinds revealing what makes them tick and why they're willing to spend so much more than other consumers Rich with data and case studies of companies that have implemented superconsumer strategies with great success *Superconsumers* is a fun practical and inspiring guide for anyone interested in making their best customers even better
