## **Paypal On Sale:**

**PayPal Sale Profits** Gideon Fairchild, AI, 2025-02-22 PayPal Sale Profits delves into the financial narrative behind PayPal's acquisition by eBay offering a granular examination of this landmark deal. It investigates how a simple online payment system evolved into a financial powerhouse generating substantial sale profits for early investors and employees. The book highlights the wealth creation stemming from the acquisition and its influence on subsequent tech acquisitions, demonstrating how the deal shaped the digital economy. The book begins by exploring PayPal's origins and the conditions leading to its acquisition. It then dissects the acquisition records, providing a data-driven analysis of the financial gains realized by different stakeholders. A key insight is the paradigm shift in online business valuation and integration that this corporate acquisition represented. This in-depth examination makes the book uniquely valuable, offering practical applications for understanding valuation methods, acquisition strategies, and wealth creation potential in the tech sector. Concluding with a discussion on the long-term implications of the deal, the book connects to corporate law, investment banking, and organizational behavior. By focusing on tangible financial outcomes rather than solely on strategic rationales, **PayPal Sale Profits** provides a clear and concise understanding of the forces shaping modern finance. It is tailored for students, entrepreneurs, and investors seeking to understand the dynamics behind tech acquisitions.

**Stop Making Others Rich: How Authors Can Make Bank By Selling Direct** Morgana Best, 2022-07-31 Do you want to have an author store and don't know where to start? Or have one and don't know how to make the most of it? Take back your power and control your author finances with an author store. Your store is not just another retailer with the right store, you can upsell, retarget, customers, bundle products such as an ebook and a print book or whatever you like. No more rules. No more nastygrams. No more spending most of your ad budget to subsidize retailers sending your readers to a page with other authors' books on it. With a store, you can get paid now. That's right now and not in 60 days. And no more retailer cuts. Ever wondered who buys your books? Not any more. Now you have data and, depending on your storefront analytics, this book answers questions such as: What should you do when starting out? Which storefront would suit: Shopify, Payhip, WooCommerce, PayPal button, or one of the others? What do you need to start a store, and if you have a store, how do you optimize it? Do you really need to train people to buy from your store? What about international sales tax? It depends on buyer location, not just yours. Want to sell print but don't want to pay for print upfront, handle stock, or go to the Post Office? And much more. Such as: Time to think differently about advertising. And How to manage change in the industry. Plus other insider tips. USA Today Bestselling author Morgana Best started selling print direct in 1993 and ebooks as well as print direct from
