Family travel to Beijing

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

handbook opens with an analysis of the rationale for the assessment of writing during the junior year of the undergraduate curriculum. The authors then turn to a case study of the success of their own institutional wide assessment program. A history is provided of 20th century writing assessment practices as well attention is given to defining levels of literacy. After describing an assessment process model discussion turns to the design of questions, the administration of the assessment, the rating of papers and the statistical analysis of data. Attention is also given to the design of a course for those who are unsuccessful on the assessment. The study closes with directions for further research and over 200 references in the bibliography.

The Allyn and Bacon Guide to Writing John D. Ramage, John C. Bean, June Johnson, 2002-12

A concise version of the most successful college rhetoric published in more than a decade. The Allyn Bacon Guide to Writing Concise Edition offers the most progressive and teachable introduction to academic and personal writing available. This four color guide offers engaging instruction in rhetoric and composition, a flexible sequence of comprehensive writing assignments and numerous examples of student and professional writing. Solidly grounded in current theory and research yet eminently practical and teachable. The Allyn Bacon Guide to Writing Concise Edition is the new standard for first year composition courses in writing, reading, critical thinking and inquiry.

Part I A Rhetoric for College Writers provides a conceptual framework for the text by showing how inquiring writers pose problems, pursue them through discussion and exploratory writing, and solve them within a rhetorical context shaped by the writer's purpose, audience, and genre.

Part II Writing Projects contains six self contained assignment chapters arranged according to the purposes for writing. Each chapter guides students through the process of generating and exploring ideas, composing and drafting, and revising and editing. Guidelines for Peer Reviewers which sum up the important features in the assignments and facilitate detailed helpful peer reviews.

Part III A Guide to Composing and Revising comprises two self contained chapters of nuts and bolts strategies for composing and revising.

Part IV A Rhetorical Guide to Research presents pedagogically sequenced instruction for helping students learn to conduct searches, evaluate sources, and incorporate sources into their own writing. Research skills are taught within a rhetorical context with special attention to the rhetoric of websites.
