Contemporary Theatre of India Chaman Ahuja,2012 The present book seeks to provide a generic introduction to the contemporary theatre scenario in different parts of India Researched and written over a period of nearly a decade it adopts an approach that may be best termed as quasi academic and quasi journalistic Primarily it affords understanding as well as interpretation of the trends experiments and major works but in the process it takes up serious issues for closer scrutiny Nevertheless the overall tone and tenor continue to be rather informal throughout the book was born of interaction with both established and uprising exponents of the theatre arts playwrights directors performers designers critics etc but it purposefully eschews critical or technical jargon Ultimately what we get is a phenomenal attempt to build a comprehensive as well as a perceptive overview of the complex and ever growing dynamics of the contemporary theatres of India as practised in various regions languages cultures Back cover *India, a Cultural Perspective* S.
