The Ukraine Artem Chapeye, 2024-01-30 A stunning debut collection of fiction and creative nonfiction irreverent and unglorified loving and tender uncomfortable and inconvenient by a Ukrainian writer currently fighting for his country in Kyiv Includes the celebrated title story The Ukraine which was published in the New Yorker in 2022 The Ukraine is a collection of 26 pieces that deliberately blur the line between nonfiction and fiction conjuring the essence of a beloved country through its tastes smells and sounds its small towns and big cities its people and their compassion and indifference simplicities and complications In the title story Chapeye facetiously plays with the English misuse of the article the in reference to Ukraine capturing a country as perceived from the outside by foreigners That pseudo kitsch often historically shallow and not quite real Ukraine resonates because of its highly engaging and brutally candid snapshots of ordinary lives and typical places In One Soul per Home an elderly woman laments that the men are dying and the young are leaving for the cities changing the face of her small town In The Unscrupulous Spirit of the Provinces a couple of unspecified gender get stoned and go to church and in False Premises a man romanticizes his younger years working for a Soviet fishing fleet only to reconstruct his nostalgia in the face of Putin s Russia The Ukraine conveys to readers a place that Chapeye and his countrymen are currently fighting for with their lives The book features a preface by the author which he composed on his phone from the front lines
