Comprehension Text:

Cyber Monday

Cyber Monday, celebrated on the Monday after Thanksgiving, is a major online shopping event launched in 2005 by Shop.org to promote online retail sales. It offers exclusive online deals, flash sales, and free shipping, making it popular for its convenience and global accessibility. Originating from a trend of increased online sales after Thanksgiving, Cyber Monday has grown into one of the largest shopping days worldwide.

Retailers benefit from increased sales, while shoppers enjoy discounts on electronics, clothing, and more. However, challenges include website crashes, product shortages, and potential scams. Smart shopping strategies, such as setting budgets, comparing prices, and using secure payment methods, help consumers maximize the event. Cyber Monday's impact has expanded globally, with many countries now participating in the event.
