Smart Frederic Martel, 2018-07-05 Digitization is accelerating globalization tenfold Social networks have gone mobile telephone television and towns have gone smart How did China manage to create clones of Google Facebook and YouTube and build its own censored version of the Internet How do Arab countries use social networks for their revolutions Why is there no minister for communications in the US and why does no one regulate the Internet there From Silicon Valley to Tokyo from South Africa to southern India and all the way to Cuba and Gaza this unprecedented investigation in the field covers the whole battle of the Internet and its future Drawing on hundreds of interviews in about fifty countries Frederic Martel examines the different Internets on five continents In so doing he reveals that we are moving not only into a connected globalized world but also a

territorialized one Smart shows that the Internet has never been truly global and that it will become increasingly local

Inheritance Genevieve Gannon,2024-09-03 From the author of *The Mothers* comes a propulsive family drama that explores the possibilities and dangers of designing the perfect child In 2027 Emily is deciding whether to take advantage of a new health service that promises a healthier stronger baby through gene editing There s plenty in her family tree that she would like to protect her unborn child against But not everybody loves the so called designer baby technology Decades later Adelaide is an ambitious political staffer trying to make a difference Adelaide and her husband are working towards a goal they ve called The Cyprus Project but their plans risk being derailed when an unexpected threat looms Told across two generations and two continents *Inheritance* is about the legacies we leave our children the bonds between mothers and daughters and how it s never too late to fix our mistakes **The Economist** ,2007 **Wine Enthusiast** ,2009-08

Game Developer ,2008 **India Today** ,2007 Message to My Girl Jared Noel,David Wyn Williams,2015-10-01 With only six weeks to live Dr Jared Noel took on the most ambitious project of his short but significant life to document what it was like to die and to record his final reflections on where a young person facing the end of life could find hope value and meaning The result is extraordinary a deeply personal and highly inspirational story of purpose courage and love to the very end Jared was dying for almost six years but his determination to make a difference in the lives of others drew international attention first through The Boredom Blog his transparent reflections on the life of a terminal cancer patient and then through a crowd funding campaign to buy chemotherapy drugs that would keep Jared alive long enough to see the birth of his daughter Elise The campaign raised 170 000 in just a few days and Jared was able to share the first eight months of his baby girl s life In the final days of his palliative care at home Jared was determined to leave Elise a special legacy an account of his inspirational story and a faithful picture of the dad she would not know Battling ever mounting fatigue and sickness he met with writer David Wyn Williams daily to record this honest emotional and profoundly insightful reflection on life death and everything in between
