**little Mr. Happy and the Talking Mirror** Dwayne Arthur Jones, 2026-03-02 An institution of schoolchildren without parental guidance civics education or the learned ability to self reflect are simply classrooms for repeat offenders Dwayne Arthur Jones Teaching kids how to love themselves should be a sine qua non in every K 12 classroom in America The most intimate familial parts of the book are the page breaks providing child and adult time to reflect between chapters little Mr Happy and the Talking Mirror is about a kid who does not see his own reflection in world history corporate America and on the silver screen and it takes the love of a mirror who sees himself in Happy to show him the most important part of his reflection is seeing himself first and not through the eyes of others as others don't reflect the love you should feel for yourself nor do people imagine how exceptional you are to them **At the Corner of Mundane and Grace** Christopher H.

Fabry, 2011-11-09 Everyone yearns for the mountaintop We search for the conference that will God willing be life changing The moment when everything in our lives will neatly come together It could happen Yet daily experience teaches us that we don't and probably never could permanently live at such heights The opposite is also true Tragedies touch our lives every now and then When they do we hold on to God with all our might because He's the only thing that's real to us in those times But just like life at the heights life in the pit is not the norm The truth is most of life is lived somewhere between Mt Everest and the Grand Canyon We reside at the corner of Mundane and Grace The bad news It gets boring and a little tough to keep going The good news That's exactly where God wants you With light hearted humor gentle encouragement and a healthy dose of wisdom and insight Chris Fabry reveals the beauty in where you are today encouraging you to step forward in faith and to encounter God as you have never before At the Corner of Mundane and Grace You will laugh cry and pray as Chris Fabry takes you to the corner of Mundane and Grace He writes with wonderful penetrating down to earth insights into both human foibles and the wonders of God's grace At the corner of Mundane and Grace you will see God in your life in the most marvelous ways Charles W Colson Prison Fellowship Ministries If your life is rather ordinary this book will lead you to the extraordinary stuff that God has hidden in your daily routines Joseph M Stowell President Moody Bible Institute A big problem in our Christian faith is that we think God is with us only in the pew when we're spit shined and all tucked in Chris Fabry tells us otherwise that God is with us when we're elbow deep in dirty diapers when our marriages are faltering when the kids are sick and the dog is dying Philip Gulley Author Front Porch Tales Warm witty winsome This happy volume will have a special place in my heart and in my home I predict that others who taste and feast will be delighted and nourished as I have been Adrian Rogers Pastor Bellevue Baptist Church **Impossible Commands** Jonty Allcock, 2019-06-01 Discover how obeying Jesus can be both possible and joyful Rejoice always Don't be afraid Give cheerfully What do we do when God's commands sound impossible Most of us find opt outs and excuses or pretend we're doing better than we are Author Jonty Allcock calls this the madness of our lives and the slavery of the impossible There is a better way What if obedience could be

a life giving joy rather than a job a delight instead of a duty In this book Jonty shows us that by facing up to the impossible commands of Jesus we come to the end of our own will and determination and end up at Jesus feet We find ourselves in the hands of a God who can do all things Where we fail to obey there is grace Where we succeed in obeying there we find the miracle of the Spirit active within us This book takes us through four steps I can t I m sorry please help and let s go that will help us look to ourselves less and depend on God more enabling a spirit led joyful obedience *Uncommon Bible Study, Outlines & Messages* Jim Burns,2008-08-01 In *Uncommon Bible Study Outlines and Messages* Jim Burns equips leaders with great Bible study topics and message ideas to use with youth groups Whether chosen as the main focus of the youth meeting or used to supplement other material the ideas in this book will engage and stimulate students to discover what the Bible has to say about issues that impact their world Spanning the Old and New Testaments topics addressed include faith anger loneliness forgiveness self image calling from God servanthood temptation suffering developing Christian character and much more These easily adaptable message outlines for large groups and Bible study outlines for small groups will empower youth workers as they plant seeds in the lives of junior high and high school students *Apocalypse Memories* Laura J.
