BENEATH THE SURFACE

Beneath The Surface

John Hargrove, Howard Chua-Eoan

Beneath The Surface :

Beneath the Surface Miranda Rae Carter,2013-10 Adolescence hasn't been fun for Liss Lawrence And after a year in Vancouver when she's finally adjusted to her new situation a freak car accident sends her life spinning out of control and crashing into the world of the malions a hidden race silently helping humanity from secret enclaves underground Liss's knowledge of the malions endangers her family when Jaredson's Securities takes an interest in her accident Few know the men of Jaredson's Securities an international intelligence company specializing in missing persons cases are actually the Vykhars ancient malion enemies whose true purpose is the eradication of the malion race The Vykhars will stop at nothing to find out if Liss is connected with the malions and if they do they will exploit her Perhaps more dangerous still are Liss's growing feelings for Rion a strong willed malion scarred by his encounters with Vykhars and carrying a secret that could destroy their relationship But Liss has a secret and scars of her own and Rion's fiercely protective nature threatens to tear them back open Can this pair of unlikely lovers survive the dangers of the Vykhars And can their love survive their own misconceptions

Beneath the Surface Bruce M. Carlson,2007 Beneath the Surface explores the inner workings of Ten Mile Lake in Cass County Minnesota And from this intimate study complemented by elegantly detailed illustrations in pencil ink and watercolour we learn how the physical characteristics of a lake affect the plants and animals within it and how the various forms of life inhabiting a lake interact Carlson explores how the dynamics of a lake shift from day to night and from season to season He outlines the effects of a storm on the wildlife below and reveals what the loon's four main types of calls communicate He explains the impressive intricacies of a beaver's lodge design And through special chapters that reveal the rhythms and constraints of various species of fish Carlson shows anglers how to hone techniques to heighten fishing success

Beneath the Surface John Hargrove,Howard Chua-Eoan,2015-03-24 Now a New York Times Best Seller Over the course of two decades John Hargrove worked with 20 different whales on two continents and at two of SeaWorld's U S facilities For Hargrove becoming an orca trainer fulfilled a childhood dream However as his experience with the whales deepened Hargrove came to doubt that their needs could ever be met in captivity When two fellow trainers were killed by orcas in marine parks Hargrove decided that SeaWorld's wildly popular programs were both detrimental to the whales and ultimately unsafe for trainers After leaving SeaWorld Hargrove became one of the stars of the controversial documentary Blackfish The outcry over the treatment of SeaWorld's orca has now expanded beyond the outlines sketched by the award winning documentary with Hargrove contributing his expertise to an advocacy movement that is convincing both federal and state governments to act In Beneath the Surface Hargrove paints a compelling portrait of these highly intelligent and social creatures including his favorite whales Takara and her mother Kasatka two of the most dominant orcas in SeaWorld And he includes vibrant descriptions of the lives of orcas in the wild contrasting their freedom in the ocean with their lives in SeaWorld Hargrove's journey is one that humanity has just begun to take toward the realization that the relationship

between the human and animal worlds must be radically rethought Angels Beneath the Surface Mitja Cander, Tom Priestly, 2008-03-18 With a per capita publishing rate of more than three times that of the United States Slovenia has a long and storied literary history from the legendary 9th century Freising Manuscripts to postmodern masterpieces by Igor Bratoz Continuing that tradition Angels Beneath the Surface the first collection of Slovene fiction to be published in English outside of Slovenia since 1994 offers a rich sampling of Slovene short stories The thirteen tales here represent a wide array of voices and writing styles among the country's renowned and emergent writers Written between 1990 and 2005 the selections in Angels Beneath the Surface together comprise a vivid snapshot of Slovene literary consciousness at the turn of the millennium These authors mine their culture for often startling insights in stories that range from wicked variations on fairy tales to dour romances to skewerings of the bureaucratic state Recent articles in *The New Yorker* *The New York Times* *Book Review* and other prominent publications attest to renewed interest in European literature in translation and this collection is an incisive entry in the genre **Further Researching Beneath the Surface** Anne-Marie Cummins, Nigel

Williams, 2020-09-10 Contributions in this volume cover ways of knowing the dynamics of research encounters new methods of psycho social inquiry and the first hand experience of being a researcher Since the first volume of Researching Beneath the Surface was published by Karnac in 2009 psycho social research has become more established but is also more scrutinised by a new generation of researchers practitioners and clinicians This volume offers a timely exploration of the latest developments in psycho social research bringing together a series of papers in which both longstanding contributors to the field and new researchers explore tensions possibilities and innovations in psycho socially inspired research Showcasing advances in psycho social research methods the book focuses on methodological dilemmas innovations in method and methodology and on experiences of conducting psycho social research in challenging contexts It also focusses on the contested but pivotal role of psychoanalysis in psycho social research and explores what can be added by transdisciplinary use of deep ecology continental philosophy and relational approaches as alternative or supplementary ways of knowing Further Researching Beneath the Surface Psycho social Research Methods in Practice offers fresh insight into the practical and emotional issues of conducting oneself as a psycho social researcher and learning from experience It will be of great interest to psycho social qualitative organisational and psychoanalytically oriented researchers as well as postgraduate students in these fields **Excavations in Cranborne Chase, near Rushmore, on the Borders of Dorset and Wilts**
