The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

Sports Business Management George Foster, Norm O'Reilly, Antonio Dávila, 2020-08-09 This new edition of a widely adopted textbook equips students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing, and finance, the decision-making approach of the book emphasizes key concepts while translating them into practice. Content specific to each of the vital stakeholders in the sport business is included. Foster, O'Reilly, and Dávila present a set of modular chapters supported with international examples. Supplementary materials available to instructors include mini cases, full case studies, activities in class, lecture materials, and exercises to help students apply the decision-making approach to real-world situations. The book includes content about sport organizations such as the Olympic Games, FIFA World Cup, the European Premier Leagues, and Major North American Professional Sport Leagues. Stanford cases are updated for the second edition, and entirely new chapters cover the latest topics including esports, sports gambling, fantasy sports, and crisis management. This is an ideal textbook for upper-level undergraduate and postgraduate students of sports business and management.

*Business Rankings Annual* Gale Group, 1998-11 The staff of the Business Library of the Brooklyn Public Library answers more than 175,000 reference questions each year; many of them requests for rankings information. To provide quick answers to questions in the highest interest subject areas, we have compiled *Business Rankings Annual*. Working from a bibliographic file we have built up over the years, we have culled thousands of items from periodicals, newspapers, financial services directories, statistical annuals, and other printed material. The top ten from each of these rankings appears in this volume, grouped under standard subject headings for easy browsing. Typical entries provide sequential entry number, rankings title, a descriptive phrase identifying the contents of the list, cited ranked by, indicates the criteria that establish the hierarchy, remarks, provides additional details relating to the list from the source material, number listed, notes the number of listees in the ranking, source, top 10 items on the list, and source. Readers can quickly locate all rankings in which a given company, person, or product appears by consulting the reference's comprehensive index. In addition, a complete listing of more than 300 sources used to compile *Business Rankings Annual* is provided in the bibliography.
