*A Conservative Christian Reviews the Greatest Movies Ever Made* George McManus,2003-07      *Hindi Film Songs and the Cinema* Anna Morcom,2017-07-05 Since their beginnings in the 1930s Hindi films and film songs have dominated Indian public culture in India and have also made their presence felt strongly in many global contexts Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process musical style and commercial life it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round While they constitute India's still foremost genre of popular music film songs are also situational dramatic sequences inherently multi media in style and conception This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries Its findings lead to highly novel ways of viewing Hindi film songs their key role in Hindi cinema and how this affects their wider life in India and across the globe It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema It also forms a major contribution to popular music popular culture film music studies and ethnomusicology tackling pertinent issues of cultural production multi media and the cross cultural use of music in Hindi cinema The book caters for both music specialists as well as a wider audience      [The 100 Greatest Movies of All Time](#) Ty Burr,Peter Bonventre,1999 Lists the 100 greatest movies ever made as chosen by the staff of Entertainment Weekly magazine      *Taking Your iPad to the Max, iOS 5 Edition* Erica Sadun,Michael Grothaus,2012-03-20 Taking Your iPad to the Max iOS 5 Edition is written so that anyone can quickly get up to speed on Apple's latest hit As bloggers at The Unofficial Apple Weblog TUAW.com the authors have the happy privilege of working with Apple products every day and they'll guide you through all of the perks of being an iPad owner with access to all the new and amazing features in iOS 5 This book takes you from selecting and buying an iPad to connecting it to the Internet to using the incredible power of the iPad and all its apps to enhance your life Whether you're using your iPad to surf the Internet admire or edit family photos listen to music watch movies create or edit movies or read a book this book will help guide you Discover how your iPad can be a virtual shopping mall opening the door to purchases of music books videos and movies This book will help you organize your daily life through the use of Calendar Notes and Contacts communicate with friends and colleagues with Mail and find your way with Maps You'll also learn how to get the most out of your iPad's two cameras and you'll learn how iCloud keeps all of your documents and photos in sync across all your Apple devices You'll also learn about great new iOS 5 features like Reminders Notification Center iMessage Newsstand and PC Free updates Taking Your iPad to the Max iOS 5 Edition introduces the essentials of using your iPad for recreation travel and work and includes
