TikTok Cultures in the United States Trevor Boffone, 2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and sexuality, feminism, race, and ethnicity, and wellness. Shaping TikTok as an interdisciplinary field in and of itself, this insightful and timely volume will be of great interest to students and scholars of new and digital media, social media, popular culture, communication studies, sociology of media, dance, gender studies, and performance studies.

Proceedings of the 2022 International Conference on Sport Science, Education and Social Development (SSESD 2022) Jian Sun, Fong Peng Chew, Intakhab Alam Khan, Christopher Jenks, 2023-02-10 This is an open access book. 2022 International Conference on Sport Science Education and Social Development SSESD2022 was held from July 15th to 17th in Kunming, China. The objective of SSESD is to promote scientific information interchange by creating a platform for students, researchers, practitioners, and academicians to present their ongoing researches on diverse themes ranging from Sport Science Education and Social Development. Under the influence of the current COVID-19 epidemic, people pay more and more attention to physical health. Scientific distance education of physical exercise in the meantime provides a guarantee for people to acquire knowledge.
