**African Politics** Toyin Falola, 2025-11-25 African Politics An Introduction is an engaging broad ranging guide to the politics of African states reflecting on contemporary patterns and trends whilst also situating them in their historical context Viewed from the outside African politics are often said to be too complex and multifarious to understand properly leading to widespread misunderstandings and stereotypes This book challenges these assumptions providing an accessible reader friendly guide Starting with an introduction to the historical roots of African politics right back to the precolonial era this book goes on to discuss colonialism and the independence movement before diving into the postcolonial state and the challenges of governance development and conflict which many states have struggled with This book looks in detail at the various actors involved from religious groups to political parties youth politics women social movements and different social classes At the end of each chapter a classwork box provides students with a particular example of an African state or event to investigate in more detail encouraging them to consider the specific and to resist generalizations African Politics An Introduction is perfect for an undergraduate student starting out in their studies of African politics but it would also be a welcome read for any reader who wants to learn a bit more about the governance of Africa Sorting Africa's

Developmental Puzzle Almaz Zewde, 2010-06-02 Sorting Africa s Development Puzzle The Participatory Social Learning Theory as an Alternative Approach is a comprehensive exploration of why Africa has not managed to achieve a sustainable and self regenerating development over the past half century of effort The work situates the problems of Africa s persistent underdevelopment in the practices employed by national political elites donors and lenders to African development that played roles in determinant policy and planning Unlike many newly developed countries and regions and contrary to the historical experiences of developed countries where ordinary people were full stakeholders and drivers of development Africa s development has been top down expert and capital driven mechanical and typically externally designed Ordinary Africans were made marginal to development This approach to Africa s development was devoid of building the people and their institutions as the legitimate means of development The entrusting of Africa s development to local and international elites to the exclusion of the people from decision making and full participation has led to grievous deficits in the formation of human and social capital and legitimate economic social and political institutions for development The book offers a studied alternative that can positively change Africa s development direction The Participatory Social Learning Approach The philosophical theoretical historical and heuristic origins of this alternative are offered in detail within this book

Emigration Nations M. Collyer, 2013-10-16 Some states have a long history of reaching out to citizens living in other countries but since 2000 it has become much more common for states to encourage loyalty from current or former citizens living abroad Using detailed case studies this book sets out to explain this significant development with an innovative new theoretical framework Transnational Africa and Globalization M. Okome, 2012-01-14 The dawn of neoliberal rationality in

Africa in the 1980s coincided with a massive exodus of skilled Africans to the global North Moving beyond the push and pull framework that has dominated studies of this phenomenon this collection instead looks at African transnational migrations against the backdrop of rapid and intensifying globalization The Rise of China and the Capitalist World Order Li Xing,2010 This book offers a non conventional analysis of the possible outcomes from China s transformation and provides a dialectical understanding of the complexities and underlying dynamics brought about by the rise of modern day China
