**Rembrandt** Kathi S. Barton,2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the malefactors kept

growing in numbers and he couldn't kill them fast enough to keep up. He had fought the battle alone all these years and he wasn't sure he even wanted to anymore. Skylar Manning was just trying to be nice. The mysterious man dressed in black was hanging around after closing again. It was the third time this week. Only this time he grabbed her arm. Her world changed forever. Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him.

Roy Dawson deals in exotic animals and has a high demand for black panthers. He wants Jonny back at any costs. She thinks she is the only panther shifter in existence and a freak of nature. She has no idea she isn't alone. Marc Bowen lost his original mate in a freak accident when they were teenagers. He has resigned himself to stay in the background watching his brothers finding their other halves to find happiness. He's even considered moving away for a while. Fate however has other plans for Marc. Now that Marc has found Jonny there is no way he's letting her go. He needs her to be complete. Earning her trust however is easier said than done. Jonny trusts no one and is afraid to love. Everyone she has ever loved has always gotten hurt because of her and she won't stand around and just let that happen. Family is everything to the Bowens. Now that Dawson has tracked Jonny down the Bowens band together to protect her. Their plans are nearly fail proof. Nearly what could go wrong. Right. Find out in the fourth installment of the Bowen Boys.

**Bryant** Kathi S. Barton, 2019-04-22 Harper Wilson and all her siblings were relieved when they received the notice of their parents demise. No one deserved it more and the only reason Harper agreed to go back to that little town in Ohio was to make sure they were truly dead. Bryant Prince and his family were immortals and hadn't aged since they'd reached the age of twenty eight. He and his family had always lived next door to the Wilsons but he never knew the Wilson children. The Wilsons had always kept to themselves so no one had any idea what was going on in the little house of horrors. If they had the Wilson parents would have been dead a long time ago. There was nothing left of the Wilson house but one wall. The fire had taken the rest. The garage however was still intact and this was where Harper wound up. Drawn in by dark morbid memories from her childhood. Bryant watched her knowing that he'd found his mate.

**Asher** Kathi S. Barton, 2015-06-26 Two Men Joined By Fate. Asher and Kieran were joined at birth by the dying decree of the Dragon King. Literally. Asher had his own bit of magic as a 3 000 year old immortal and Kieran was his dragon shifter. Out in society Kieran was a part of Asher absorbed into Asher's body only being able to separate in dragon form. At their birth home the two men could exist apart from each other as men. They protected each other and would until their dying breath if it ever came to that. They shared everything that is until Essie came along. Essie was doing her best to hide from a mother that didn't even recognize her own daughter. The witch had poisoned her with a scratch and if Essie wasn't healed soon she'd die. Sick or not she didn't want anything to do with that handsome overbearing barbarian Asher nor that rude dragon that protected him. She was doing just fine on her own. But Asher had other things on his mind and after a while brings Essie around to his way of thinking and makes her his wife.

but Kieran brought up a valid point Essie was his mate too Could Essie find it in her heart to love both men equally To share the bed of both together Asher s five brothers and their dragons watched the scenario unfold with bated breaths The subject had never been broached and all their futures hung on the outcome *Wesley* Kathi S. Barton,2020-09-19 Wesley Bishop was helping out a friend by letting Emmie stay with him He knew she wasn t his mate but she was good company Emmie was hiding from her abusive brothers When she asked Wesley to take her to the bank she was meeting her best friend Penny and Penny s grandfather Joe to go over their accounts Wesley readily agreed Wesley thought Penny was about the prettiest woman he d ever seen feisty too and when her scent hit him like a freight train he was the happiest tiger shifter on the planet Penny not so much Like Emmie Penny s family had a way of getting their point across with a heavy fist Trusting a man wasn t easy for her Wesley was no quitter he d convince his new mate to trust him if it was the last thing he did And keeping her safe was proving to be more difficult by the day

Barton,2016-04-04 Andrew Lanning was happy when they shut down the family search and rescue business He hated it because it was rarely ever a rescue just bodies and that was too depressing But now he had to find something else to do Being a man of leisure left him too much time to get into trouble so he purchased a floundering cable company to occupy his time But when he started poking around the business the things he found made no sense The sales all of them stemmed from one computer and there were over a hundred employees Laci Wintermute was caught in the middle of what she thought was a grocery store robbery but found out quickly that she was the target of the would be robbers all along What she couldn t figure out was why And those idiots weren t the only ones after her either They didn t seem to stop coming So she did the only thing she knew to do she ran She ran until she ran out of money acquired an assumed name and took a job at a small cable company The fate Sonya was determined to destroy the Lanning family even from the grave
