## **World Series Top:**

**The Cultural Encyclopedia of Baseball, 2d ed.** Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game, for example, pinch hitter and out in left field, have become common in our everyday language. From AARON HENRY onward, this book covers all of what might be called the cultural aspects of baseball as opposed to the number-rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives, and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners, and league presidents. Advertising agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

[The 100 Greatest Days in New York Sports](#) Stuart Miller, 2006 Pick a sport, baseball professional or college, football or basketball, horse racing, boxing, or tennis, and in every case New York has consistently had front row seats for every major development and many of the most memorable events in sports history. It's every New York sports fan's dream: a chance to analyze, debate, and rank the top 100 sports events in New York history. A list to settle all arguments. What would you choose? First of all, where to start? Babe Ruth hitting the first home run in Yankee Stadium, Arthur Ashe winning the first U.S. Open, Muhammad Ali versus Joe Frazier at Madison Square Garden. Over the years, New York has been at the center of seemingly every major sporting event. From the integration of baseball to the heyday of boxing and horse racing to the rise of professional sports, it all happened in New York. The journalist Stuart Miller, a native New Yorker and sportswriter, guides us through the pivotal events with illuminating analysis and colorful detail. Based on extensive research, this richly illustrated book is filled with vivid and authoritative prose. Highlights include Willie Mays makes the Catch in the 1954 World Series, Jimmy Connors turns back the clock at the 1991 U.S. Open, Willis Reed rescues the Knicks in the 1970 NBA Finals, Joe Namath and the Jets win the 1968 AFL Championship, Mookie Wilson's slow grounder to first is a Mets miracle in the 1986 World Series. All of the celebrated franchises are here, from the Yankees and the Mets to the Knicks and the Giants, as well as sports ranging from horse racing to tennis to boxing to the New York City Marathon. There are additional lists and analyses, such as On the Road: The Top 25 featuring events such as Bucky Dent's 1978 homer over the Green Monster in Fenway Park, Fearsome Foes highlights epic performances by the opposition, like Michael Jordan's 55-point night at the Garden in 1992. Miller also gives us the bad side of sports in Worst Days, such as when Benny Paret died in the ring at the hands of Emile Griffith. Exhaustively researched and endlessly entertaining, [The 100 Greatest Days in New](#)

York Sports is a book destined to be on the shelf of every New York and every American sports fan **The Origin and Evolution of the Human Dentition** William King Gregory,1922 **The World Series' Most Wanted** John Snyder,2004-02-27 Celebrate the 100th anniversary of the first World Series with The World Series Most Wanted M i You ll find fascinating facts oddball tales and record breaking achievements from that initial World Series between the Boston Americans and the Pittsburgh Pirates all the way up to the 2003 World Series The next in a long line of vaunted Most Wanted books from Potomac THE The World Series Most Wanted tells the tale of October glory and heartbreak of heroes and goats and of the thin line between success and failure on baseball s grandest stage With a hopping sixty top ten lists **Collier's** ,1927 Tons of Top 10 Sports Lists Brad Herzog,2001 This book contains top 10 lists of sports records and amusing facts *Time* Briton Hadden, Henry R.
