Number 4 Bobby Orr Kevin Vautour, 2019-03-14. Bursting upon the National Hockey League scene in the fall of 1966 amid enormous hype and expectations, Robert Gordon Bobby Orr would go on to exceed all predictions of greatness. Displaying All-Star level ability from the start, it was his talent as a playmaker and scorer that utterly revolutionized the game of hockey. At the same time, Orr helped revive a tired, long-suffering Boston Bruins team, leading them to their first Stanley Cup in twenty-nine years at the age of twenty-two. Orr and company would drink from the Cup again two years later as he continued to cement his legacy with MVP Awards and Norris Trophies.

The unforgettable sight of him rushing the puck up ice with blond hair flying was a thing of sheer athletic beauty But Orr's fragile knees plagued him throughout his career ultimately forcing him to retire before the age of thirty But in his ten years with the Bruins the remarkable body of work and the greatness he achieved prompt many hockey historians to regard him as the all around greatest most skillful player in history Number 4 Bobby Orr is the most ambitious in depth look at Orr and the Bruins greatest decade *Hockey Doc* Dr David S Mulder, Dr Douglas G Kinnear, 2021-03-09 The Western Division of the Montreal General Hospital was so close to the Forum that Montreal Canadiens players could put on skate guards and walk to the hospital's emergency room This was not a coincidence and established proximity as a priority Dr Douglas Kinnear supported twelve Stanley Cup winning Montreal Canadiens squads as team physician Dr David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups In *Hockey Doc* these two legendary team physicians explore the dynamic doctor player relationship they came to know so well with a look at more than fifty years of medical care provided to the hockey club *Hockey Doc* examines how the medical program for the Montreal Canadiens has evolved over its history due to its long standing relationship with the MGH and the Molson family The doctors breakdown major injuries with real life examples that every team physician needs to be aware of and share career highlights Featuring stories about Saku Koivu Trent McCleary Patrick Roy Maurice Richard Gump Worsley Bobby Orr Lou Lamoriello and journalist Red Fisher among countless others *Hockey Doc* shares the inside jokes between doctor and player while providing a greater commentary on the evolution of sports medicine throughout two MGH doctors careers For hockey fans of all ages and the Quebec medical community *Hockey Doc* shares the relationship between the injured professional athlete and the medical staff of a university medical centre and provides an inside look at the injuries and illnesses these doctors have faced over their storied careers
