**Access versus Ownership. An Analysis of Spotify** Jacob Papageorgiou, 2016-12-08 Bachelor Thesis from the year 2016 in the subject Business economics Business Management Corporate Governance grade 1.0 Kingston University London Music course BA Music language English abstract The recording industry is undergoing an economic decline The new generation needs a business model which supplements the demands of the digital age This dissertation investigates the consumption of digital music Rapid development in the digital music market has been led by the growth of online streaming services such as Spotify Consumers now have the choice to obtain songs from a selection of paid and non paid legal sources A perspective concerning digital natives is seen through the theory of access replacing ownership Consumer group analysis of demands shows that ownership seems to be outdated Spotify acts as an example to the theory of access Access and ownership is further examined in this dissertation These ideas are analysed alongside the economic impact of consumer behaviour in the music industry **Strategic Market Management** David A. Aaker, Damien McLoughlin, 2010 The text is a European

adaptation of our current US book Strategic Market Management 9th Edition by David Aaker This new edition is a mainstream text suitable for all business students studying strategy and marketing courses Strategic Market Management Global Perspectives is motivated by the strategic challenges created by the dynamic nature of markets The premise is that all traditional strategic management tools either do not apply or need to be adapted to a more dynamic context The unique aspects of the book are its inclusion of A business strategy definition that includes product market scope value proposition and assets and competences A structured strategic analysis including a detailed customer competitor market and environmental analysis leading to understanding of market dynamics that is supported by a summary flow diagram a set of agendas to help start the process and a set of planning forms Concepts of strategic commitment opportunism and adaptability and how they can and should be blended together Bases of a value proposition and strong brands A strategy without a compelling value proposition will not be market driven or successful Brand assets that will support a business strategy need to be developed Creating synergetic marketing with silo organisations defined by products or countries All organisations have multiple products and markets and creating cooperation and communication instead of competition and isolation is becoming an imperative A global perspective is an essential aspect of this new edition This reflects the lived

experience of the student reader but also their likely professional challenges This is achieved by the extensive use of new examples and vignettes

**Introduction to Information Systems** R. Kelly Rainer,Brad Prince,2021-12-06 Introduction to Information Systems 9th Edition teaches undergraduate business majors how to use information technology to master their current or future jobs Students develop a working understanding of information systems and information technology and learn how to apply concepts to successfully facilitate business processes This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting finance marketing human resources production operations management or MIS
