Fundamentals of Corporate Finance Stephen A. Ross, Bradford D. Jordan, Randolph Westerfield, Gordon Sam Roberts, J. Ari Pandes, Thomas A. Holloway, 2021 When the three of us decided to write a book we were united by one strongly held principle Corporate finance should be developed in terms of a few integrated powerful ideas We believed that the subject was all too often presented as a collection of loosely related topics unified primarily by virtue of being bound together in one book and we thought there must be a better way One thing we knew for certain was that we didn't want to write a me-too book So with a lot of help we took a hard look at what was truly important and useful In doing so we were led to eliminate topics of dubious relevance downplay purely theoretical issues and minimize the use of extensive and elaborate calculations to illustrate points that are either intuitively obvious or of limited practical use *Venmo an Easy Guide for Beginners* Scott Casterson, 2016-03-09 With cash becoming a thing of the past many companies are trying to appease such a new age phenomenon These apps allow you to enjoy a night out with dinner and a show with friends without having a dime in your pocket Venmo is one such app It is a digital wallet that gives users the opportunity to send money from your bank account for free to either pay bills or repay a friend by sending money back to their Venmo account It came about in March 2009 as a system through which funds could be paid through text messages and is said to be safe for users but has since been refined and is now very popular among the social class
