Day Trading Attention Gary Vaynerchuk, 2024-05-21 New York Times and USA Today Bestseller One thing I ve learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller Jab Jab Jab Right Hook Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today s fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of

business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it s underpriced and how to leverage it Produce relevant strategic content Use modern advertising platforms to build brand and grow sales in today s rapidly changing environment You're In Good Company Ashlee Gadd,2026-03-17 They say it takes a village to raise a child but how exactly do you create and sustain that village You re in Good Company by Ashlee Gadd and the writers of Coffee Crumbs is a heartfelt collection of stories celebrating the unique roles that food friendship and hospitality play within the context of motherhood Through captivating and honest essays Ashlee and the Coffee Crumbs team invite moms to rediscover and even redefine what hospitality can look like in a busy lonely world Hint it looks less like glamorous dinner parties and more like ordinary grace around the backyard fire pit You re in Good Company The Gift of Friendship Motherhood and Showing Up mixes personal stories reflections and helpful ideas all based on the belief that hospitality doesn t need to be perfect to matter From folding laundry together on the living room floor to sobbing together at the top of a hike these essays will prompt you to laugh cry and immediately pick up your phone to text a friend This book is for anyone who wants Deeper connections richer friendships and a more engaged sense of community Tangible examples of creating sacred memorable moments in the midst of a busy life Encouragement to approach hospitality through a lens of faith love and belonging You re in Good Company offers practical ways to deepen friendships featuring recipes that go along with each essay From a dish full of cultural tradition to the comfort of baking sourdough as a form of healing these are stories about feeding people and being fed not for the sake of performance but for the sake of presence This book gently reminds you that hospitality is about showing up consistently and imperfectly with love and care You re In Good Company is not a book you simply read this is a book you live The Student's Journal ,1904 *Toe to Toe* Falon Ballard,2026-03-10 It takes two to tango Allegra Hart has been working her whole life to achieve one goal become a principal ballerina When her director starts holding auditions for the lead role in the company s latest production Allegra sees this as her chance maybe her last chance The catch The director wants someone with sex appeal and he doesn t think she s up to the task Determined to prove him wrong Allegra enlists the help of the lead dancer of an all male revue Cord Donovan a classically trained dancer who is also the sexiest man she s ever met In exchange for lessons on how to ramp up her sex appeal she promises to help Cord choreograph a new partner piece for his show As they practice their moves on and off the stage Allegra and Cord find themselves battling a growing attraction all the more illicit because Cord has sworn to never partner with a ballerina Allegra is determined not to let a man derail her career but what if she could have both love and success Or will her involvement with Cord jeopardize everything she s worked for *Fit & Well* Thomas Davin Fahey,Paul M. Insel,Walton T. Roth,Claire Insel,2025 Fit Well offers students the knowledge and skills they need to make

meaningful and lasting behavior changes Trusted science based content has been shown to help students improve their exercise and eating habits as well as to deal more effectively with stress

Good Things Happen to People You Hate Rebecca Fishbein,2019-10-15 For lovers of Sloane Crosley and Samantha Irby this hilarious and raw essay collection paints a recognizable and relatable portrait of life in the early aughts Former Senior Editor for Gothamist Rebecca Fishbein s adult life has been a dramatic reflection of New York media itself constantly evolving in unexpected ways and seemingly always on the edge of disaster In short Rebecca has seen it all from 3 bedbug infestations to being fired to being yelled at while working at American Apparel to losing all her stuff in a freak fire to being bullied online by angry Taylor Swift fans But the real humor and meat of the collection come from Rebecca s unwavering honesty and unflinching examination of her struggles with alcohol anxiety depression compulsive lying female beauty standards and a slew of failed coworker roommate friend semi relationships are dark insightful and hilarious As Jia Tolentino commented the era of the personal essay ended with the election this is not your grandmother s millennial essay collection Rebecca s writing is relatable without being preachy and conveys a message of resilience by example not by moral Readers will recognize the world they themselves see a disastrous president and a scary socioeconomic landscape in Becca s writing and find comfort in her humor and a snarky but incisive friend in her writing

Fundamentals of Corporate Finance Stephen A. Ross,Bradford D. Jordan,Randolph Westerfield,Gordon Sam Roberts,J. Ari Pandes,Thomas A. Holloway,2021 When the three of us decided to write a book we were united by one strongly held principle Corporate finance should be developed in terms of a few integrated powerful ideas We believed that the subject was all too often presented as a collection of loosely related topics unified primarily by virtue of being bound together in one book and we thought there must be a better way One thing we knew for certain was that we didn t want to write a me too book So with a lot of help we took a hard look at what was truly important and useful In doing so we were led to eliminate topics of dubious relevance downplay purely theoretical issues and minimize the use of extensive and elaborate calculations to illustrate points that are either intuitively obvious or of limited practical use

The Quiet Zone Stephen Kurczy,2021-08-03 In this riveting account of an area of Appalachia known as the Quiet Zone where cell phones and WiFi are banned journalist Stephen Kurczy explores the pervasive role of technology in our lives and the innate human need for quiet Captures the complex beauty of a disconnected way of life The Nation With a new afterword to the paperback edition Deep in the Appalachian Mountains lies the last truly quiet town in America Green Bank West Virginia is a place at once futuristic and old fashioned It s home to the Green Bank Observatory where astronomers search the depths of the universe using the latest technology while schoolchildren go without WiFi or iPads With a ban on all devices emanating radio frequencies that might interfere with the observatory s telescopes Quiet Zone residents live a life free from constant digital connectivity But a community that on the surface seems idyllic is a place of contradictions where the provincial meets the seemingly supernatural and quiet can serve as a cover for something darker Stephen Kurczy embedded in Green Bank

making the residents of this small Appalachian village his neighbors He shopped at the town s general store attended church services went target shooting with a seven year old square danced with the locals sampled the local moonshine In The Quiet Zone he introduces us to an unforgettable cast of characters There is a tech buster patrolling the area for illegal radio waves electrosensitives who claim that WiFi is deadly a sheriff s department with a string of unsolved murder cases dating back decades a camp of neo Nazis plotting their resurgence from a nearby mountain hollow Amongst them all are the ordinary citizens seeking a simpler way of living Kurczy asks Is a less connected life desirable Is it even possible The Quiet Zone is a remarkable work of investigative journalism at once a stirring ode to place a tautly wound tale of mystery and a clarion call to reexamine the role technology plays in our lives
