seemingly unrequited love that led him to the depths of despair self imposed seclusion and drug addiction By the early seventies he had overcome his addiction and released the bestselling album 461 Ocean Boulevard with its massive hit I Shot the Sheriff He followed that with the platinum album Slowhand which included Wonderful Tonight the touching love song to Pattie whom he finally married at the end of 1979 A short time later however Eric had replaced heroin with alcohol as his preferred vice following a pattern of behavior that not only was detrimental to his music but contributed to the eventual breakup of his marriage In the eighties he would battle and begin his recovery from alcoholism and become a father But just as his life was coming together he was struck by a terrible blow His beloved four year old son Conor died in a freak accident At an earlier time Eric might have coped with this tragedy by fleeing into a world of addiction But now a much stronger man he took refuge in music responding with the achingly beautiful Tears in Heaven Clapton is the powerfully written story of a survivor a man who has achieved the pinnacle of success despite extraordinary demons It is one of the most compelling memoirs of our time
