Facebook For Dummies Carolyn Abram, 2018-02-22 Take control of your Facebook profile When you join Facebook you're joining a community with over two billion people spread around the globe It helps to have the insight on not only how to set up your profile and add content but also how to make sure you control who sees and doesn't see your posts Facebook For Dummies provides the trusted guidance you need to set up a profile add content and apply the many tools Facebook provides to give you control of your content Primarily known as a way for individuals to share information photos and videos and calendar invitations Facebook has gained prominence as a means to spread news market products and serve as a business platform Whatever you're looking to use it for this book shows you how to use all the features available to make it a more satisfying experience Build your profile and start adding friends Use Facebook to send private messages and instant notes Discover ways to set privacy and avoid online nuisances Launch a promotion page Get ready to have a whole lot of fun on the largest social network in the world

The Rough Guide to Social Media for Beginners Rough Guides, 2012-07-05 If you haven't joined the social media revolution yet don't fret there's still time But with so much out there where do you even start Something more than a text message something less than a phone call not engaging in these new types of online social messaging could mean you are missing out on the action without either friends or followers Business leisure and everything in between is covered and this guide walks the uninitiated through setup to maintenance and gives you the skills to make your pages lively and relevant to

the people you know or work with and the folk you're about to meet or reach out to. The term social media covers an ever-expanding suite of apps, blogs, and wikis, but this book focuses on the most popular and personal forms of social media: Facebook and Twitter. Significant attention is also paid to Google, the latest direct challenge to Facebook's overwhelming dominance of social networking.
