Q: Skills for Success 3E Level 2 Reading and Writing Jenny Bixby, Nigel Caplan, Meg Brooks, Miles Craven, 2020-07-09 A six level paired skills series that helps students to think critically and succeed academically The Third Edition builds on Q Skills for Success question centered approach with even more critical thinking up to date topics and 100% new assessment

The Socially Responsible Feminist EFL Classroom Reiko Yoshihara, 2017-05-11 This book explores the realities of feminist EFL teachers lives through interviews and classroom observations with eight EFL teachers at Japanese universities The data contained in the book broaden our understanding of feminist teaching in the language classroom while also providing suggestions for practice The book examines not only how the teachers feminist identities influence their pedagogical beliefs and practices but also how the teachers actually practice feminist teaching in their classrooms The tensions dilemmas and pleasures of feminist teaching converge in this book which attempts to shed light on a question that is often asked in either ESL or EFL teaching contexts is teaching about gender related topics including controversial sociopolitical topics in the language classroom education or indoctrination

Focusing on EFL Reading Rahma Al-Mahrooqi, Adrian Roscoe, 2014-06-02 Reading a complex and multi faceted skill is essential for life and academic success While its mysteries still baffle first language research the nature of reading in a foreign language presents an even greater puzzle However given reading s importance for EFL students who study their specializations in English and whose future employment may depend on their competence in it researchers must continue to investigate foreign language reading and devise ways of improving students capacity for it Hence this book with its thorough coverage of up to date theory practice and research will be of great value in today s educational context As they strive to understand reading and help EFL students to acquire it researchers and language teachers will find much of value here
