Hypothesis Irene Park loves romance novels so much so she's made a career of them as an online book reviewer with a massive following. But Irene's real life dating story is non-existent. So when she starts her freshman year of college she sets her sights on finding true love using the one thing she really understands: romance book tropes. If only it were that easy. Enter Aiden Jeon, Irene's online book review rival and biggest nemesis. When Aiden challenges her to see who can find love by trope first, he becomes the one person standing in her way to getting everything she wants, both professionally and personally too. So when the competition takes an unexpected turn forcing the two of them to have to partner in the ultimate trope: fake dating, Irene is not prepared for everything she believed about romance and Aiden to flip on its head. As Irene tackles the challenges of college life, struggles to figure out what she really wants for herself, all while trying to win the race for love, Irene realizes the answers may not be found in a romance novel. Happily Ever Afters seem so easy on page, but for Irene to find her ultimate HEA, she'll have to get her nose out of the book and become the main character of her own story. Perfect for fans of *Enemies to Lovers*, *Fake Dating*, *College Rom Coms*, *Banter for Days*. A Pop Culture References Books about loving books.

Ruby Kathi S. Barton, 2015-02-20 Ruby Erickson was the best OR surgeon the small hospital had. Management had mandated that the doctors were to turn away any people for treatment that couldn't pay. Under strict orders to follow the rules or else, Ruby operated on the young woman anyway. She'd never live long enough to survive the trip to County. Josh Ewing was suffering from a bad breakup. He had moved to the small town to get away from his cheating ex-girlfriend and former best friend and partner. His sister Bri was here and was all he had left in way of family. When Bri comes up missing, Josh is beside himself with worry. He finds his sister in a small hospital listed as a Jane Doe in critical condition. When he finds out that the doctor who saved her life had lost her job because she didn't turn his sister away, he wants to do all he can for her. She cut Josh off with a finger punching to his chest. "You're damn right I saved her life. And do you think that because you put money in my account or paid nearly a hundred grand to my loans that I'm somehow going to be beholden to you? You fucking bastard, take it back. All of it, right now." Josh shook his head and braced his arms over his chest as if to do battle. Quentin took a step back now. He wasn't stupid. You heard me. I want you to take back that money now, or so help me you're going to need it for your own hospital bills. Even if I could, which I don't care if I can or not, I won't do it. You risked a great deal to save her life and I pay my debts. Ruby growled and took another step toward Josh. It took Quentin several

seconds to realize that something had happened in that short period of time Ruby didn't have time for a mate not now not ever Josh wasn't happy about it either but discovered once he got past her stubborn surface that she really was a rare gem But trouble doesn't elude them for long That ex-girlfriend of Josh's was into some heavy stuff things he didn't know about things that could get them all killed things that put them all on the radar of the wrong people **Keeping You S. Mate Me: Discreet Edition Kel Carpenter,Aurelia Jane,2024-04 *Sweet Tempo* James P. Kain,2009-05-11 From the Prologue of Sweet Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he

wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up
