Taylor, Jillet S. Sam, Shriram Venkatraman, 2026-01-14 This timely book provides a comprehensive analysis of digital financial services across diverse socio economic landscapes moving beyond technology focused perspectives to examine the complex

social and cultural dimensions of financial innovation Chapters explore how digital financial tools from mobile banking to AI based FinTech innovations function as both economic instruments and catalysts for sociocultural change

**Disruptive Fintech** James Deitch,2019-12-16 Throughout history innovators have disrupted existing financial services norms to change the landscape of the marketplace Disruptive Fintech briefly traces fractional reserves the creation of bank currency that traded at a premium to bullion value central bank regulation securitization of assets and loans the current state of digital currency and electronic payments The author then looks toward the future of fintech and the forces of disruption that will change the landscape of financial life as we know it Using over 100 interviews with thought leading CEOs this book develops a methodology to identify financial services that are ripe for innovation and discusses how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models The book discusses How to relate historical innovations and disruptions in financial services to the current landscape How to follow a process to identify the threats facing incumbent processes and businesses and how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models How many fintech innovations will be constructed by re arranging or re purposing existing core processes In this insightful book author James Deitch CPA CMB argues that some of today s high flying fintech innovators will flourish but many may perish as the fire of innovation consumes those fintechs that are slow to monetize their promises

**Systemic Islamophobia in Canada** Anver M. Emon,2023-04-28 Systemic Islamophobia in Canada presents critical perspectives on systemic Islamophobia in Canadian politics law and society and maps areas for future research and inquiry The authors consist of both scholars and professionals who encounter in the ordinary course of their work the sometimes banal sometimes surprising operation of systemic Islamophobia Centring the lived realities of Muslims primarily in Canada but internationally as well the contributors identify the limits of democratic accountability in the operation of our shared institutions of government Intended as a guide the volume identifies important points of consideration that have systemic implications for whether how and under what conditions Islamophobia is enabled and perpetuated and in some cases even rendered respectable policy or bureaucratic practice in Canada Ultimately Systemic Islamophobia in Canada identifies a range of systemically Islamophobic sites in Canada to guide citizens and policymakers in fulfilling the promise of an inclusive democratic Canada

[Around the World in 60 Seconds](#) Nuseir Yassin,Bruce Kluger,2019-11-05 Based on the Nas Daily video series with over 13 million dedicated followers comes the surprising moving 1 000 day journey of a lifetime in book form In 2016 Nuseir Yassin quit his job to travel for 1 000 consecutive days But instead of the usual tourist traps Nas set out to meet real people see the places they call home and discover what unites all of us living on this beautiful planet from villages in Africa and slums in India to the high rises of Singapore and the deserts of Australia While he journeyed from country to country Nas uploaded a single 60 second video per day for his Nas Daily Facebook following to highlight the amazing terrifying inspiring and downright surprising sh t happening all over the world

Thirteen million followers later Nas Daily has become the most immersive travel experience ever captured and finally shows us what we've all been looking for each other Around the World in 60 Seconds is Nas unpredictable 1 000 day world tour in book form At times a striking portrait of the most uncharted places in the world at others a touching exploration of the human heart this collection of life affirming stories and breathtaking photographs changes how we think about humanity and community and invites us all on a journey to see the world and each other anew **Fancy Meeting You Here** Julie

Tieu,2023-11-07 For the rom com fans you can never go wrong with a Julie Tieu book BuzzFeed Opposites attract when an always the bridesmaid florist and a grumpy caterer mix business with pleasure in this swoony romantic comedy in the vein of 27 Dresses from Julie Tieu author of The Donut Trap and Circling Back to You Every single one of Elise Ngo's close girlfriends Rebecca Jesse and Beth is getting married within the same few months and every single one of them has asked her to be both bridesmaid and florist Though it's a lot for her to juggle the work and exposure is a boon to her struggling flower shop The stakes are high at Rebecca's high profile wedding where the guests are mostly political connections of Rebecca's parents Desperate for the event to go off without a hitch Elise enlists the help of an outside caterer who turns out to be Ben Yu Rebecca's elusive younger brother Though Ben is prickly and aloof he offers Elise much needed business designing flowers for his mom's campaign fundraisers and Elise begins to see there's more to Ben than his gruff and handsome exterior But their romance takes off as the political campaign ramps up complicating their relationship with unforeseen consequences Now always the bridesmaid Elise must fight for what she wants to finally get her own happily ever after **Day Trading Attention** Gary Vaynerchuk,2024-05-21 New York Times and USA Today Bestseller One thing I've

learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller Jab Jab Jab Right Hook Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikT Tokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it's underpriced and how to leverage it Produce relevant strategic content Use modern

**CLOG x FEEDS** CLOG, 2022-04-27 CLOG x FEEDS Of the 4.78 billion people online today 3.8 billion are active social media users who regularly log onto numerous platforms to post like comment consume sell talk shit creep and more via algorithmic data infrastructures colloquially known as feeds Feeds have become a dominant form of communication completely reshaping our digital commons Feeds are purported to connect us to one another they spark friendships romances and revolutions and they keep them alive On the other hand feeds are explicitly designed to increase engagement Not only do feeds capture our attention they turn it into a product ultimately generating advertising revenue for third parties Epitomizing the fleeting moment and eluding nuanced in depth discussion the same algorithms that serve to unite people with similar interests and ideologies also amplify differences demonstrating an ability to not only connect us but to drive us apart Continually optimizing algorithms make it impossible to step into the same feed twice Whether they function as windows into the world as mirrors pointed at ourselves or as something altogether more insidious feeds wield a powerful influence over individuals global communities and systems they have impacted everything from how we shop to how we tell jokes to how we protest injustice to how we vote The eighteenth issue of CLOG examines the design behavior and impact of feeds and the myriad ways in which we interact with them during this increasingly entropic time
