Battlegrounds H. R. McMaster,2021-09-21 The former National Security Advisor's New York Times bestselling critique of US foreign policy with new material on the Jan 6th assault on the Capitol In Battlegrounds Lt General H R McMaster U S Army ret the former National Security Advisor under President Trump delivers a bold re examination of

the most critical foreign policy and national security challenges facing the United States In this new edition McMaster addresses the January 2021 assault on the U S Capitol and discusses how citizens across the free world can work together to restore confidence in democratic institutions According to McMaster American foreign policy has been misconceived and poorly implemented since the end of the Cold War This has allowed threats to security freedom and prosperity such as nuclear proliferation and jihadist terrorism to grow As National Security Advisor he pursued course correction through a fundamental shift in policy Now he provides a clear path to improving strategic competence and prevailing in complex competitions against our adversaries Calling on all Americans to rise above the vitriol of partisan discourse McMaster stresses the importance of educating ourselves about the national and international security challenges we face Only then can we work together to secure peace and prosperity for future generations **California Management Review** ,2014

Overcoming Trumpism Larry N. Gerston,2026-03-19 Defining Trumpism as an ideology that preceded Trump s election and will outlast his political career this book explores solutions to problems that have long plagued contemporary American democracy The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us Joe Federer,2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling The Hidden Psychology of Social Networks will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value **Data, Algorithms and Policies** Mario Cimoli,2018 **Das Ende von Social Media** Dominik Ruisinger,2024-04-26 Derzeit zeichnen sich Ver nderungen ab die die gesamte digitale Kommunikation und speziell die Social Media Branche auf den Kopf stellen und die viele mit dem Begriff Revolution verbinden Schon l sst sich

vom Ende von Social Media sprechen zumindest so wie wir es gekannt haben. Künstlich ziehen Algorithmen die Empfehlungen von künstlichen Intelligenzen den Inhalten der vernetzten Freunde vor. Dies hat zur Folge, dass technologische KI geprägte Algorithmen und nicht unsere Freunde die Inhalte in unseren Social Media Feeds bestimmen, dass mehrsam aufgebaute Seiten Netzwerke und Gruppen an Relevanz und Sichtbarkeit einbringen und dass automatisiert erstellte Inhalte die Feeds fluten könnten. Der Kommunikationsexperte Dominik Ruisinger zeigt in seinem Buch auf, was da auf die Branche zukommt, welche Einflüsse Algorithmen auf Inhalte haben, warum Empfehlungen wichtiger als Menschen sind, wie künstliche Intelligenz Social Media auf den Kopf stellt und wie eine Kommunikationsstrategie künstlich aufgebaut werden muss.

The Forever

Transaction: How to Build a Subscription Model So Compelling, Your Customers Will Never Want to Leave Robbie Kellman Baxter, 2020-03-31. Develop and cultivate the kind of robust long term customer relationships that power companies like Nike, Spotify, LinkedIn and Target. More and more companies are concluding that the potential rewards of subscription based products and services are worth the risk of radically changing their business models. They're correct. The Membership Economy is here and it's here to stay and if you want to compete for the long run you need to join it. Strategy consultant Robbie Kellman Baxter has been helping companies excel in this business environment for more than a decade. Now in *The Forever Transaction* she reveals all her secrets. Whatever industry you're in, Baxter provides the inspiration, tools and insight you need to build and execute a business model that will leave your competition in the dust. You'll find out how industry leaders like Under Armour, Microsoft and Netflix have created an ever expanding customer base of loyal subscribers and are keeping them coming back. You'll learn how to lead your organization through every step of the process from initial start up to new product testing, scaling for long term growth and sustainability to revamping your culture so everyone works together to optimize customer lifetime value. You'll also master all the essentials of succeeding in the Membership Economy like subscription pricing, Software as a Service, digital community engagement and freemium incentives as a way to turn casual browsers into cash paying super users. With *The Forever Transaction* you have everything you need to build durable long term relationships with every customer and leverage them for ultimate business success today, tomorrow and forever.

The

Membership Economy Robbie Kellman Baxter, 2015-03-20. The membership business models of Netflix, Weight Watchers and other industry giants revealed and how you can use them to lead your company to the top of the food chain. For decades consumers and businesses have joined clubs, bought products and accessed services using a subscription model. But it has only been in recent years that the model has been transformed and perfected through massive changes in technology. The Membership Economy shows how nimble companies that focus on ongoing formal relationships over one time transactions are thriving. By renting, lending or offering access instead of just ownership, organizations can leapfrog industry leaders. In terms of strategic business models, this is one that allows for breakthrough growth. With great case studies from American Express, LinkedIn, CrossFit, SurveyMonkey and more, this book will show you how to radically rethink how your organization
