With Mortuus stirring in his prison, Arvelle is forced to work with Rorrik to translate a long lost journal that may hold the key to containing the god of ruin. As Mortuus's power grows, her only hope is to confront the truth about her own power and ally with the gods who caged her so long ago. When old wounds begin to reopen, Arvelle reaches a tentative alliance with the last person she could have expected. But this connection demands she cross an unthinkable boundary to reveal a new version of herself, someone powerful enough to save an empire. Pursuing that power could cost her everything. But the gods are fractured, and their grudges are older than the empire. And survival will hinge on who, if anyone, she can trust.
