

The background of the cover features a large iceberg floating in the ocean. The tip of the iceberg, which is visible above the water, is covered in snow and has a sharp, jagged peak. The rest of the iceberg, which is much larger and submerged, is also covered in snow and is visible as a dark blue shape under the water. The sky is a clear, light blue with some wispy clouds. The overall color scheme is dominated by blues and whites.

Hasselback, 2003-07 **Auditing and Assurance Services** David N. Ricchiute, 2003 Auditing and assurance service education has undergone dramatic change in at least three ways 1 An awakening that practitioners have a comparative advantage in offering professional services that transcend the boundaries of financial statements 2 An understanding that client strategies affect engagement risk and 3 A transition away from first person delivery by classroom instructors only and toward third person discovery by students both within and outside of the classroom Each has influenced the seventh edition To transcend the boundaries of financial statements Auditing and Assurance Services exposes students both to the demand for and the supply of the profession s flagship service financial statement audits and to the nature of the value added assurance services decision makers demand in the information age **Targeted** Mike Smith, 2014-11-19 Part history part guidebook part prediction for the future this book tells the story of the companies individuals and innovations driving the revolution of online ads Far from the catchy television spots and sleek magazine spreads are the comparatively modest ads that pop up on websites and in Internet searches But don t be fooled online advertising is exploding Growing at a compound annual rate near 20% it is now the second largest advertising channel in the United States Targeted takes listeners behind the scenes examining the growth of digital advertising its enormous potential and the technologies that are changing the game forever You will also learn about several key aspects such as keyword micro markets ad serving systems aggregated virtual audiences new business models and much more Leading the way is real time bidding which offers advertisers unprecedented precision in targeting ads and measuring their effectiveness This book is sweeping in scope and stripped of technical complexity Targeted is an essential resource for anyone interested in finding and connecting with customers in the vast and shifting Internet universe **Auditing** Larry F. Konrath, 2002 Utilizing a unique risk analysis approach to auditing Konrath s 5e emphasizes auditor identification of risk factors and the allocation of audit resources to high risk areas Organized into five distinct parts for better continuity Konrath s 5e has been completely updated and revised throughout

Konrath's 5e offers expanded coverage of the Internet assurance services and ethics. These updates and improvements combined with a built-in computerized audit practice case provide an outstanding resource for preparing students for the CPA exam. *Auditing: A Risk Analysis Approach* 5e gives students the tools they need to pursue successful careers in a global economy.

Mastering VMware vSphere 6.5 Andrea Mauro, Paolo Valsecchi, Karel Novak, 2017-12-15. Deliver great business value by adopting the virtualization platform VMware vSphere 6.5 from the design to the deployment. About This Book: This new edition is based on vSphere 6.5 and has described new features in different areas including management, security, scalability, availability, and so on. Design, deploy, and manage VMware datacenters. Implement monitoring and security of VMware workloads with ease. Who This Book Is For: If you are an administrator, infrastructure engineer, IT architect, or an IT consultant and analyst who has basic knowledge of VMware vSphere and now wants to master it, then this book is for you. What You Will Learn: Get a deep understanding of vSphere 6.5 functionalities. Design and plan a virtualization environment based on vSphere 6.5. Manage and administer a vSphere 6.5 environment and resources. Get tips for the VCP6-DCV and VCIX6-DCV exams along with use of the vSphere 6 documentation. Implement different migration techniques to move your workload across different environments. Save your configuration data and workload from your virtual infrastructure. In Detail: VMware vSphere 6.5 provides a powerful, flexible, and secure foundation for next-generation applications, which helps you create an effective digital transformation. This book will be based on VMware vSphere 6.5, which empowers you to virtualize any complex application with ease. You'll begin by getting an overview of all the products, solutions, and features of the vSphere 6.5 suite, comparing the evolutions with the previous releases. Next, you'll design and plan a virtualization infrastructure to drive planning and performance analysis. Following this, you will be proceeding with workflow and installation of components. New network trends are also covered, which will help you in optimally designing the vSphere environment. You will also learn the practices and procedures involved in configuring and managing virtual machines in a vSphere infrastructure. With vSphere 6.5, you'll make use of significantly more powerful capabilities for patching, upgrading, and managing the configuration of the virtual environment. Next, we'll focus on specific availability and resiliency solutions in vSphere. Towards the end of the book, you will get information on how to save your configuration data and workload from your virtual infrastructure. By the end of the book, you'll learn about VMware vSphere 6.5 right from design to deployment and management. Style and Approach: This book acts as a reference guide, providing real-world scenarios and a possible baseline for each virtualization project based on VMware vSphere.
