The Babylon Project Earth Colonies Sourcebook Chameleon Eclectic Entertainment, Incorporated, Jeff Tidball, 1998-09-01 **The Babylon Project RPG Earth Colonies** Joseph Cochran, 1997-10-31 One of a series of detailed histories of the Babylon 5 universe designed to appeal to fans of the TV show This book is designed as a supplement to the earlier Babylon Project Rulebook providing even more background information to use in the Babylon 5 role playing game

The Babylon Project Joseph Cochran, John Tuffley, 1997 **Role Playing Game** J. Michael Straczynski, Matthew Sprange, 2006-04 Featuring the space station that changed the destiny of an entire galaxy the Babylon 5 RPG from Mongoose Publishing allows players to take on the role of characters from the award winning TV series This all new edition revisits one of the most successful sci fi roleplaying games of recent years bringing the game to an all new group of fans Existing fans will not be disappointed the rules have been tweaked so that the game is even better than before and most importantly is a stand alone rulebook in its own right with no requirement for the use of another rulebook Earth Force Sourcebook Joseph Cochran, Charles Ryan, Zeke Sparks, Dale Macmurdy, 1998-06-01 **Babylon 5 Coming of the Shadows** Bruce Graw, Various, 2003-09-17 The Earth year 2258 was set to be one of new beginnings but instead became a time of exceptional discord The disputes between the Narn and Centauri have steadily escalated as the two age old enemies vie for territory and influence even as the Minbari subtly manipulate the younger races for their own nebulous ends The Vorlons have for the first time appeared to other races on board the Babylon 5 diplomatic station but their motives seem convoluted and beyond the concerns of others Even the Earth Alliance has suffered with the seemingly accidental death of its president and a growing feeling among many that its government has become fragmented with shadowy groups becoming increasingly self serving pursuing secret agendas with worrying consequences Terrorist groups have grown increasingly daring in their activities trying to secure freedom for worlds within the Earth Alliance or keep alien influence far from humanity Times are growing dark for the weak and helpless but it is also fertile ground for opportunists and heroes to leave a permanent mark on the galaxy The Coming of Shadows is a sourcebook for the Babylon 5 roleplaying game exploring in detail the personalities and events of 2259 Used in conjunction with Chapter 8 of the main rulebook Signs and Portents Games Masters can now accurately extend their campaigns and story arcs beyond 2258 to include the dramatic galaxy shaking events detailed here Every episode of the second season of the Babylon 5 television show is fully covered in The Coming of Shadows along with numerous scenario and campaign hooks that will make it easy to integrate them with ongoing story arcs already unfolding in current games As described in Chapter 9 of the main rulebook Campaigns on Babylon 5 players can witness or even become directly involved in these events engaging in story arcs of their own that may put them at the centre of the galaxy alongside the heroes of the television show This sourcebook also includes the main personalities found on board Babylon 5 updated from those that appeared in the main rulebook in 2258 as well as featuring a few new faces New rules additions equipment

and vehicles are also featured expanding the Babylon 5 roleplaying game no matter where or when the Games Master chooses to set his story arcs and campaigns The year 2258 set the scene for players new to the Babylon 5 roleplaying game The Coming of Shadows will elevate games to new levels of passion and excitement as players begin to discover just who the real powers in the galaxy are *Babylon 5: the Roleplaying Game* Bryan Steele,2007-02-01 The Rim Beyond known space there lies the Rim There are a million stories about what lies out there dead worlds alien civilisations impossible spacecraft unimaginable treasures but there is only one thing that all the tales agree on and that s the danger Far from the well travelled jump routes and civilised planets of the core systems the Rim is lawless mysterious and deadly As the Earth Alliance pushes out towards the Rim in search of new colony worlds new resources and new technologies they risk awakening the ancient powers that slumber in this dark region of space This is a not a safe place to be This is the Rim the Edge of the Abyss The Rim Sourcebook for Babylon 5 opens up a whole new section of the galaxy for adventure and exploration From the EarthForce Explorer Corps and the corporations who are funding Humanity s expansion into this region to many new worlds and strange new races the Rim expands the setting of the Babylon 5 rpg into worlds only briefly glimpsed during the series
